THE JOURNAL OF ACCOUNTANCY

noted 7/12/21

Dear Sir:

The Bulletin of the American Institute of Accountants is published monthly for the information of the public accountant. It reviews all significant events that affect his profession. Its subject matter is presented briefly and accurately in a style designed to meet the needs of the busy practitioner. It is the desire of the publishers to make each issue of The Bulletin, in a sense, the latest chapter in the history of accountancy in the United States.

Its price is 15 cents a copy or \$1 a year.
