Mr. James H. Meredith
University of Oxford
Mississippi

Several Catolics families, have being following, with great interest the facts related with your enter to the University; hoping you will have a complete success in your studios and also, that you will realize the ideal that make up your mind; to go studing over there.

We send you this letter, with to let you know, that you are not alone in your way. You must know, that the Catholics believed in the ^{TRUC} ~~through~~ Spiritual Values, and we do not accept any kind of Segregation, because we thought that all humans are equals to God Eyes. And we hope that people will undestand us, in the future.

We send you, our congratulations for the courage, integrity and tenacity you have shown.

We are sure that a lot of people like us, admire your fair posture.

Truly yours, to name this several families and me.

Renueva, te suplicamos, los milagros que por su intercesión durante su vida realizaste, y concédenos la gracia que te pedimos, si es para bien de nuestra alma. Así sea.
