Need help on a radio series?

Cleveland Chapter has sent us an excellent copy of their preparations and actual radio scripts used in a series of radio programs on Social Security, Income Tax, and Budgets. These programs were prepared with the needs of the average housewife in mind, to the end that she could aid her husband in joint monetary problems.

The annual AWSCPA and ASWA convention in New York was a highlight of the year. Co-chairmen Rosa Gundall and Dora Stanger, together with their committees, proved their ability to plan and provide an outstanding meeting.

The two conferences, East and West, were a source of inspiration and education to all who attended. Chairman for the Eastern Conference in Buffalo was Sophia Friedman. Charlotte Morris served the Western Conference in San Diego as Chairman. Other successful area meetings were held in Grand Rapids and Kansas City with surrounding chapters participating. Seattle is making plans for an area meeting in mid-summer.

Because of the support and loyalty of the entire membership and the supreme cooperation of the Board of Directors and Committee Chairmen, we have added another year of progress in the annals of the American Society of Women Accountants. The friendships gained are priceless in our evergrowing Society. It has been a rewarding year. It is an honor to have served as President of the American Society of Women Accountants.
