## STARTING UP IN HIGH TECH? WE KNOW WHAT IT'S LIKE

And we can help—by showing you the best way to structure a business plan and make projections. And by reviewing these essential documents to make sure they can stand the test.

We also can help by introducing you to sources of capital. By arranging the best financial package. And by staying with you as you negotiate the investment agreement. We'll watch the business side of things.

Once you're underway, we can help by providing basic accounting support. And, as you grow, by adding more sophisticated systems.

We know what it's like. We've already helped a lot of others—just like you.
