The 235 H&S accountants who completed the CPA examination in November 1972 represented one of the largest groups in our Firm's history to pass this milestone in their professional career.

Six offices presenting four or more candidates distinguished themselves with a pass record of eighty per cent or higher of all parts attempted. They were: Buffalo, Charlotte, Kansas City, Milwaukee, St. Louis and Tulsa.

Two H&S candidates have been awarded certificates of honorable mention in the competition for the Elijah Watt Sells Award, in recognition of their exceptionally high grades in the examination. They are Calvin A. Gumper of our St. Louis office and Carl Lee Norton, Philadelphia. There were only forty-five such awards among more than 30,000 candidates taking the examination.
