COMMITTEE

WARREN W. NISSLEY, CHAIRMAN
WALTER S. GEE
P. W. R. GLOVER
HENRY E. MENDES
ANDREW STEWART
JOHN R. WILDMAN

American Institute of Accountants

INCORPORATED UNDER THE LAWS OF THE DISTRICT OF COLUMBIA

135 CEDAR STREET, NEW YORK

April 5, 1926.

Mr. Henry A. Niles,
60 Broadway,
New York City.

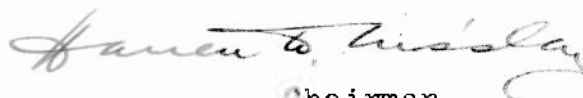

Dear Mr. Niles:

We are writing to you personally as one of the members of the Institute who is interested in the employment of assistants. The enclosed literature outlines the considerations which caused your committee to undertake this work and contains a summary of our programme.

We hope that you will consider the subject of sufficient importance to warrant a full discussion with your business associates, and trust you will write us promptly giving the benefit of your experience. The plans of the committee for the future will be based largely on the advice and co-operation received from you and others of your profession to whom similar letters are being addressed.

Kindly advise us as to whether or not you think the activities of this bureau should be expanded to include the placement of members of the Institute temporarily out of employment and of other men who have had some experience on public accountants' staffs, if such an expansion of activity were approved by the council.

Yours very truly,

Chairman.
