20 Vesey Street, New York,

May 1, 1917.

To the Members and Associates of the American Institute of Accountants:

## GENTLEMEN:

La Company of the second of th

The enclosed pamphlet on "Uniform Accounting," which was prepared by the Committee on Federal Legislation of the American Institute of Accountants, submitted to the Federal Trade Commission and thence transmitted to the Federal Reserve Board, is sent you for your information.

It is suggested that all members give careful attention to the provisions of the programme of audit laid down in the memorandum.

Very truly yours,

A. P. Richardson, Secretary.
