Checklists and Illustrative Financial Statements for Not-for-Profit Organizations

.01 These checklists and illustrative financial statements are designed to be applied to nongovernmental not-for-profit organizations except for providers of health care services that follow the AICPA Audit and Accounting Guide *Health Care Organizations*. The term *not-for-profit organization* is defined in Appendix D of SFAS 117, *Financial Statements for Not-for-Profit Organizations*, as:

An entity that possesses the following characteristics that distinguish it from a business enterprise: (a) contributions of significant amounts of resources from resource providers who do not expect commensurate or proportionate pecuniary return, (b) operating purposes other than to provide goods or services at a profit, and (c) absence of ownership interests like those of business enterprises. Not-for-profit organizations have those characteristics in varying degrees (Concepts Statement 4, paragraph 6). Organizations that clearly fall outside this definition include all investor-owned enterprises and entities that provide dividends, lower costs, or other economic benefits directly and proportionately to their owners, members, or participants, such as mutual insurance companies, credit unions, farm and rural cooperatives, and employee benefit plans (Concepts Statement 4, paragraph 7).

The term *nongovernmental* is explained in paragraph 1.03 of the AICPA Audit and Accounting Guide *Not-for-Profit Organizations*. It says, “Nongovernmental organizations are all organizations other than governmental organizations.” The description of a governmental organization is also found in paragraph 1.03 of the Guide. That description, which was agreed to in a joint meeting of the FASB and GASB Boards on March 13, 1996, states:

Public corporations and bodies corporate and politic are governmental organizations. Other organizations are governmental organizations if they have one or more of the following characteristics:

a. Popular election of officers or appointment (or approval) of a controlling majority of the members of the organization’s governing body by officials of one or more state or local governments;

b. The potential for unilateral dissolution by a government with the net assets reverting to a government; or

c. The power to enact and enforce a tax levy.

Furthermore, organizations are presumed to be governmental if they have the ability to issue directly (rather than through a state or municipal authority) debt that pays interest exempt from federal taxation. However, organizations possessing only that ability (to issue tax-exempt debt) and none of the other governmental characteristics may rebut the presumption that they are governmental if their determination is supported by compelling, relevant evidence.

Governmental not-for-profit organizations are under the jurisdiction of the GASB. GASB 35, *Basic Financial Statements— and Management’s Discussion and Analysis— for Public Colleges and Universities,* and GASB 34, *Basic Financial Statements— and Management’s Discussion and Analysis— for State and Local Governments,* are the two major statements that describe the accounting and financial reporting models for governmental not-for-profit organizations.

.02 SFAS 117 requires that all not-for-profit organizations provide a statement of financial position, a statement of activities, and a statement of cash flows. These financial statements present the organization’s
total assets, liabilities, and net assets; the balances of and changes in each of three classes of net assets—permanently restricted, temporarily restricted, and unrestricted; and the change in cash and cash equivalents.

.03 All not-for-profit organizations are required to report expenses on a functional basis, although that information need not appear on the face of the statement of activities. For example, organizations that receive little or no support from the general public, such as trade associations, may prefer to report expenses by natural classification (i.e., salaries, employee benefits, supplies, and utilities) on the face of the statement of activities and report expenses by functional classification in the notes to financial statements. An additional reporting requirement is placed on voluntary health and welfare organizations, which are required to include a separate statement of functional expenses (presenting information about their expenses by both functional and natural classifications) as part of their general-purpose external financial statements.

.04 A wide variety of users are interested in the financial statements of not-for-profit organizations. Among the principal users are (1) contributors to the organization, (2) beneficiaries of the organization, (3) the organization’s trustees or directors, (4) employees of the organization, (5) governmental units, (6) the organization’s creditors and potential creditors, and (7) constituent organizations.

.05 A principal purpose of a not-for-profit organization’s financial statements is to communicate the ways resources have been used to carry out the organization’s objectives. While adequate measures of program accomplishment generally are not available in the context of present financial statements, the financial statements should identify the organization’s principal programs and their costs. The financial statements of a not-for-profit organization should also help the user evaluate the organization’s ability to continue to carry out its objectives in the future.

.06 Another important aspect of financial reporting for not-for-profit organizations is disclosure of the limitations placed by donors on use of resources. Many not-for-profit organizations receive resources restricted by the donor for particular purposes. The nature and extent of those restrictions determine the classification of resources as permanently restricted, temporarily restricted, or unrestricted. To facilitate observance of limitations, not-for-profit organizations often maintain their accounts using fund accounting, by which resources are classified for internal purposes into funds associated with specific activities or objectives. Each fund is a separate accounting entity with a self-balancing set of accounts for recording assets, liabilities, fund balance, and changes in the fund balance. Although separate accounts may be maintained for each fund for internal purposes, financial statements prepared in accordance with SFAS 117 focus on the organization as a whole rather than on fund balances and changes in fund balances.

.07 These checklists and illustrative financial statements are for financial statements prepared in accordance with generally accepted accounting principles (GAAP). If OCBOA financial statements are presented, the provisions of the auditing interpretation, “Evaluating the Adequacy of Disclosure and Presentation in Financial Statements Prepared in Conformity With an Other Comprehensive Basis of Accounting,” of SAS 62, Special Reports, should be considered. The interpretation, issued in November 1997 and amended in January 2005 by the Audit Issues Task Force of the Auditing Standards Board, applies to cash, modified cash and income tax basis presentations. It addresses the summary of significant accounting policies; disclosures for financial statement items that are the same as, or similar to, those in GAAP statements; issues relating to financial statement presentation; and disclosure of matters not specifically identified on the face of the statements. The interpretation contains examples of how OCBOA disclosures, including presentation, may differ from those in GAAP financial statements.

.08 These checklists are for audits conducted in accordance with generally accepted auditing standards and assurance standards for nonissuers. Not-for-profit organizations are not issuers subject to oversight by the Public Company Accounting Oversight Board (PCAOB); thus, auditing standards issued by the PCAOB do not apply to audits of not-for-profit organizations. However, an auditor may be engaged to also follow PCAOB auditing standards in the audit of a not-for-profit organization. Refer to Auditing Interpretation 18, “Reference to PCAOB Standards in an Audit Report on a Nonissuer,” of SAS 58, as amended (AU
9508.89–92). If the auditor is engaged to audit both a not-for-profit organization’s financial statements and management’s assessment of the effectiveness of internal control over financial reporting in accordance with Public Company Accounting Oversight Board (PCAOB) auditing standards, refer to paragraphs 162–199 of PCAOB Auditing Standard No. 2, *An Audit of Internal Control Over Financial Reporting Performed in Conjunction with an Audit of Financial Statements* (AICPA, *PCAOB Standards and Related Rules*, AU sec. 320) for the audit reports that should be used.

Instructions

Purpose

01 The checklists and illustrative financial statements included in this section have been developed by the AICPA Accounting and Auditing Publications Team as nonauthoritative technical practice aids to be used as a memory jogger. This section includes a financial statement and notes checklist, auditors’ reports checklists, an accountants’ reports checklist, and illustrative financial statements.

The checklists have been updated to include relevant accounting and auditing pronouncements through:

- Revised FASB Statements issued through June 30, 2006, including FASB Statement No. 123 (revised 2004), Share-Based Payment
- FASB Interpretation (FASBI) No. 48, Accounting for Uncertainty in Income Taxes—an interpretation of FASB Statement No. 109
- FASB Staff Positions (FSP) issued through June 30, 2006
- FASB Emerging Issues Task Force (EITF) consensuses ratified by the FASB through the June 30, 2006 EITF meeting
- AICPA Statement on Auditing Standards (SAS) No. 112, Communicating Internal Control Related Matters Identified in an Audit
- AICPA Statement of Position (SOP) 06-1, Reporting Pursuant to the Global Investment Performance Standards
- AICPA Practice Bulletin (PB) No. 15, Accounting by the Issuer of Surplus Notes
- AICPA Statement on Standards for Accounting and Review Services (SSARS) No. 14, Compilation of Pro Forma Financial Information

The checklists and illustrative financial statements should be modified, as appropriate, for pronouncements issued subsequent to the above. In determining the applicability of a pronouncement, its effective date should also be considered.

Instructions

02 The checklists consist of a number of questions or statements that are accompanied by references to the applicable authoritative pronouncements. The checklists provide for checking off or initialing each question or point to show that it has been considered. Users should check: “yes” if the disclosure has been appropriately made, “no” if the disclosure has not been made, or “n/a” if the disclosure is not applicable to the organization. The auditor should consider the effect of a “no” answer on his/her report. A “no” answer that is material to the financial statements may warrant departures from an unqualified opinion. (See paragraphs 20–63 of SAS No. 58, Reports on Audited Financial Statements, as amended [AICPA, Professional Standards, vol. 1, AU sec. 508.20–63].) If a “no” answer is checked, the authors recommend that a note be made in the right margin to explain why the disclosure was not made (for example, if the disclosure was not
made because it was not material to the financial statements, write “not material” in the right margin). The right margin may be used for other remarks or comments as appropriate, including cross-referencing to applicable workpapers where the support to a disclosure may be found. Use of the checklists requires the exercise of individual professional judgment and may likely require some modification based on the circumstances of individual engagements.

.03 This checklist is not a substitute for the authoritative pronouncements. Users of the checklists and illustrative financial statements are urged to refer directly to applicable authoritative pronouncements when appropriate. The checklists and illustrative financial statements do not include all disclosures and presentation items promulgated nor do they represent minimum requirements. Pronouncements deemed remote for not-for-profit organizations are not included in this practice aid. The checklists and illustrative financial statements are “tools” and in no way represent official positions or pronouncements of the AICPA.

This checklist is organized into the sections listed below. Carefully review the topics listed and consider whether they represent potential disclosure items for the not-for-profit organization. Place a check mark by the topics or sections considered not applicable; these sections need not be completed. For example, if the organization does not have any extraordinary items, place a check by “Extraordinary Items” and skip this section when completing the checklist.

C. Accounting Changes and Error Corrections

Note: SFAS 154, Accounting Changes and Error Corrections, issued in May 2005, replaces APB 20, Accounting Changes, and SFAS 3, Reporting Accounting Changes in Interim Financial Statements, and changes the requirements for the accounting for and reporting of a change in accounting principle. SFAS 154 applies to all voluntary changes in accounting principle and to changes required by an accounting pronouncement in the unusual instance that the pronouncement does not include specific transition provisions. SFAS 154 is effective for accounting changes and corrections of errors made in fiscal years beginning after December 15, 2005. Early adoption is permitted for accounting changes and corrections of errors made in fiscal years beginning after June 1, 2005. SFAS 154 does not change the transition provisions of any existing accounting pronouncements, including those that are in a transition phase as of the effective date of SFAS 154.    f. The cumulative effect of the change on total net assets and on each class of net assets in the statement of financial position, as of the beginning of the earliest period presented?
g. If retrospective application to all prior periods is impracticable, disclosure of the reasons therefore, and a description of the alternative method used to report the change?

h. If indirect effects of a change in accounting principle are recognized:

(1) A description of the indirect effects of a change in accounting principle, including the amounts that have been recognized in the current period?

(2) Unless impracticable, the amount of the total recognized indirect effects of the accounting change that are attributable to each prior period presented?

[SFAS 154, par. 17 (AC A07.117)]

[SFAS 154, par. 17 (AC A07.117)]

4. If the organization makes a change in an accounting estimate, is the change accounted for in (a) the period of change if the change affects that period only or (b) the period of change and future periods if the change affects both? [SFAS 154, par. 19 (AC A07.119)]

5. If the organization makes a change in an accounting estimate that either (1) will affect several future periods or (2) is material and is made in the ordinary course of accounting for items such as uncollectible accounts, is the following information disclosed in the fiscal period in which the change is made:

a. The effects, in total and by class, of the change on change in net assets, and on the operating measure (if any), for the current period?

[SFAS 154, par. 22 (AC A07.122)]

6. If a change in accounting estimate has no material effect in the period of change but is reasonably certain to have a material effect in later periods, is a description of the change in estimate provided whenever the financial statements of the period of change are presented?

[SFAS 154, par. 22 (AC A07.122)]

q. If more than one defined benefit plan exists:

(1) Are the required disclosures above either (a) aggregated for all of the employer’s single-employer defined benefit pension plans and all of the employer’s defined benefit postretirement plans or (b) disaggregated in groups, so as to provide the most useful information?

**Note:** SOP 03-3, Accounting for Certain Loans or Debt Securities Acquired in a Transfer, (Question 14 below) applies to receivables and debt securities with a term in excess of one year that are acquired by an organization by a transfer (that is, the not-for-profit organization was not the original creditor if the receivable is an account, note, or loan receivable nor was it the original donee if the receivable is a contribution receivable). Loans that are measured at fair value are excluded from the scope of SOP 03-3 if all changes in fair value are included in the statement of activities and included in the performance indicator if a performance indicator is presented.

14. For an account, note, loan, or contribution receivable that was acquired by transfer rather than by origination:  

   a. Does the valuation allowance reflect only those losses incurred by the organization after acquisition? (Note: In other words, it is not appropriate, at acquisition, to establish a loss allowance.)  
   [SOP 03-3, par. 4]  
   
   b. Is the excess between the receivable’s contractually required payments and the amount of its cash flows expected at acquisition (nonaccratable difference) NOT displayed in the statement of financial position and NOT recognized as an adjustment of yield, a loss accrual, or a valuation allowance for credit risk?  
   [SOP 03-3, par. 5]  
   
   c. Is the excess of all cash flows expected at acquisition over the organization’s initial investment in the receivable (accratable yield) recognized as a discount to be accreted over the life of the receivable as interest income and NOT displayed in the statement of financial position?  
   [SOP 03-3, par. 5]  
   
   d. If the receivable is not a debt security within the scope of SFAS 124, are changes in the estimated cash flows expected to be collected over the life of the receivable accounted for under SFAS 5 or SFAS 114 (if a decrease) or as an adjustment of the valuation allowance and accretable yield (if an increase)?

      (1) The **outstanding balance** and related carrying amount at the beginning and end of the period?

      (2) The amount of accretable yield at the beginning and end of the period, reconciled for additions, accretion, disposals of loans, and reclassifications to or from nonaccretable difference during the period?

      (3) For loans acquired during the period, the contractually required payments receivable, cash flows expected to be collected, and fair value at the acquisition date?

      (4) For those loans within the scope of SOP 03-3 for which the income recognition model in SOP 03-3 is not applied in accordance with paragraph 6, the carrying amount at the acquisition date for loans acquired during the period and the carrying amount of all loans at the end of the period?

   b. Further, for those loans that are not accounted for as debt securities, does an investor disclose:

K. Other Assets and Deferred Charges

Note: The provisions of SFAS 142, Goodwill and Other Intangible Assets, should not be applied to goodwill and intangible assets acquired in a combination between not-for-profit organizations or arising from the acquisition of a for-profit business entity by a not-for-profit organization until the FASB completes its project on those types of combinations. Thus, the guidance in APB 17 remains in effect for previously recognized goodwill and intangible assets acquired in those types of combinations, as well as acquired by not-for-profit organizations in acquisitions occurring after June 30, 2001. However, SFAS 142 does apply to intangible assets acquired by means other than combinations (for example, a mailing list purchased from a direct mail marketing company) and is effective for those assets.

1. If during the reporting period the organization has acquired intangible assets by means other than a combination with another entity and those intangible assets will be amortized, do the notes to the financial statements include:

   a. The total amount of intangible assets acquired?
   [SFAS 142, par. 44 (AC G40.143)]

   b. The amount acquired in any major intangible asset class?

   c. The amount of any significant residual value, in total, for intangible assets acquired?

   d. The amount of any significant residual value, by major class, for intangible assets acquired?

   e. The weighted-average amortization period, in total, for intangible assets acquired?

   f. The weighted-average amortization period, by major class, for intangible assets acquired?

2. If during the reporting period the organization has acquired intangible assets by means other than a combination with another entity and those intangible assets will not be amortized, do the notes to the financial statements include:

   a. The total amount of intangible assets acquired?

   b. The amount acquired in any major intangible asset class?

   [SFAS 142, par. 44 (AC G40.143)]

3. If during the reporting period the organization acquired and wrote off research and development assets, do the notes to the financial statements indicate the amount written off and the line item in the statement of activities in which the amounts written off are aggregated?

   [SFAS 142, par. 44 (AC G40.143)]
4. For each period for which a statement of financial position is presented, does the organization include the following information about intangible assets acquired by means other than a combination with another entity:
   a. The gross carrying amount, in total and by major intangible asset class, separately for intangible assets that are being amortized and those that are not?
   b. The accumulated amortization, in total and by major intangible asset class for intangible assets that are being amortized?
   c. The aggregate amortization expense for the period?
   d. The estimated amortization expense for each of the five succeeding periods?
   [SFAS 142, par. 45 (AC G40.144)]

5. For each period for which a statement of financial position is presented, does the organization include the following information about intangible assets that were acquired in a combination with another entity and about goodwill:
   a. The method and period of amortization?
   [APB 17, par. 30 (AC I60.111); APB 22, par. 13 (AC A10.106)]

6. For each impairment loss recognized related to an intangible asset, do the notes to the financial statements include:
   a. A description of the impaired intangible asset and the facts and circumstances leading to the impairment?
   b. The amount of the impairment loss and the method for determining fair value?
   c. The caption in the statement of activities in which the impairment loss is aggregated?
   [SFAS 142, par. 46 (AC G40.145)]

7. Is an asset (prepaid pension cost) recognized if net periodic pension cost is less than amounts the employer contributed to the plan?
   [SFAS 87, par. 35 (AC P16.129)]

8. If an additional minimum liability is recognized pursuant to SFAS 87, paragraph 36 (AC P16.130), is an equal amount recognized as an intangible asset, provided that the asset recognized does not exceed the amount of unrecognized prior-service cost?
   [SFAS 87, pars. 37 and 38 (AC P16.131 and .132)]

9. Are donated materials and supplies recognized when received at their fair values?
   [SFAS 116, pars. 5 and 8 (AC C67.104 and .108)]

**Note:** In March 2006, the FASB staff issued FSP FTB 85-4-1, *Accounting for Life Settlement Contracts by Third-party Investors*, which provides guidance for investments by third-party investors in life insurance contracts. Although not specifically applicable to not-for-profit organizations if life insurance contracts are acquired by gift, organizations may choose to analogize to this FSP if they hold life insurance policies as investments rather than as protection against loss (e.g., life insurance contracts on key personnel protect against loss).
10. Are investments in life insurance reported using one of the following measurements:
   
   a. Amounts that can be realized as of the statement-of-financial-position date?
      [FTB 85-4, par. 2 (AC I50.508)]

   b. Transaction price plus all initial direct external costs, which is then tested for impairment? (Note: Transaction price is fair value at date of gift if policy is gifted.)
      [FSP FTB 85-4-1, pars. 6 and 7]

   c. Fair value?
      [FSP FTB 85-4-1, par. 8]

   11. If the organization chooses to report using measurement b or c in 
   Question 10 above, do the financial statements include the disclosures 
   required by FSP FTB 85-4-1?
      [FSP FTB 85-4-1, pars. 9–10 and 12–19]

**L. Interfund Borrowings**

1. Are interfund receivables and payables clearly identified and ar-
   ranged in the statement of financial position to eliminate their 
   amounts when displaying total assets or liabilities?
   [SFAS 117, par. 85, fn. 8 (AC No5.109, fn. 4)]

1. For classified statements of financial position, do current liabilities 
   include:

   b. Collections received in advance of the delivery of goods or per-
      formance of services?
   
   c. Debts that arise from operations directly related to the operating 
      cycle?
   
   d. Other liabilities whose regular and ordinary liquidation is ex-
      pected to occur within a relatively short time period?
   
   e. Obligations that, by their terms, are due on demand or will be due 
      within one year (or operating cycle, if longer) from the balance-
      sheet date, even though liquidation may not be expected within 
      that period?
      [ARB 43, Ch. 3A, pars. 7 and 8 (AC B05.108 and .109); SFAS 78, par.  
      5 (AC B05.109A and .118)]

      because of the organization’s default at the date of the statement 
      of financial position?

2. In classified statements of financial position, are current portions of 
   debt obligations presented as current liabilities?
   [ARB 43, Ch. 3A, pars. 7 and 8 (AC B05.108 and .109)]

3. In classified statements of financial position, do current liabilities 
   exclude short-term obligations that the organization intends to refi-
   nance on a long-term basis, provided the organization demonstrates 
   the ability to consummate the long-term financing?
   [SFAS 6, pars. 9–14 (AC B05.113–.116); FASB I 8 (AC B05.117, .138, and 
   .139)]

2. Are the combined aggregate amount of maturities and sinking fund requirements for all long-term borrowings disclosed for each of the five years following the date of the latest balance sheet presented? [SFAS 47, par. 10b (AC C32.105b)]  

3. Is the following information about interest costs disclosed:

6. If a short-term obligation (including a long-term obligation that is callable because of default) is to be classified as a long-term borrowing, do disclosures include:  
   a. General description of the financing agreement?

7. If material, is the accounting policy used in recognizing amounts related to a modification of an operating lease (that does not change the lease classification) disclosed?

8. Is separate disclosure made of improvements to leased facilities and equipment?
9. If the organization leases property or equipment under a sales-lease-back agreement, does the organization disclose the information required by SFAS 98, *Accounting for Leases*, paragraphs 17 and 18? [SFAS 98, pars. 17 and 18 (AC L10.130K and L130L)]

10. If the organization indemnifies the lessor for preexisting environmental contamination and the likelihood of loss is reasonably possible, have the disclosures required by SFAS 98, *Accounting for Leases*, been made? [EITF 97-1]

**P. Other Liabilities and Deferred Credits**

1. Are liabilities properly accrued and reported for employees' compensation for future absences, including sabbatical leaves described in EITF 06-2? [SFAS 43, par. 6 (AC C44.104); EITF 06-2]

2. If an obligation for compensated absences or postemployment benefits is not accrued in accordance with SFAS 5 or SFAS 43 only because the amount cannot be reasonably estimated, is the fact that the benefits have not been accrued disclosed in the financial statements? [SFAS 43, par. 6 (AC C44.104); SFAS 112, par. 7 (AC P32.105)]

[AAG-NPO, par. 10.08]

4. If the organization has incurred a legal obligation associated with the retirement of a tangible long-lived asset (including certain leases, such as coal or timber leases) that results from the acquisition, construction, or development and (or) normal operation of that long-lived asset (but not solely from a plan to sell or dispose of the asset), has it disclosed:

Note: FASBI 47, Accounting for Conditional Asset Retirement Obligations—an interpretation of FASB Statement No. 143, issued in March 2005, clarifies that an organization is required to recognize a liability if the obligation to perform an asset retirement activity is unconditional, even though the timing and (or) method of settlement may be uncertain. FASBI 47 is effective no later than the end of the fiscal year ending after December 15, 2005. Early adoption of the Interpretation is encouraged.

6. If the organization adopted FASBI 47 in the current fiscal year, do the notes to the financial statements include the amount of the liability for asset retirement obligations computed on a pro forma basis for the beginning of the earliest year presented and at the end of all years presented as if the Interpretation had been applied during all periods affected?

7. In transactions in which the organization is acting as a trustee, are cash or other financial assets received reported as increases in assets and liabilities and are distributions of the cash or other financial assets to the specified third parties reported as decreases in those accounts? S. Mandatorily Redeemable Interests

Note: SFAS 150, Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity, applies to existing or new mandatorily redeemable financial instruments and is effective for fiscal periods beginning after December 15, 2004 for financial instruments issued by nonpublic entities if those instruments are mandatorily redeemable on fixed dates for amounts that are either fixed or determinable by reference to an external index (such as an interest rate index). The effective date for other mandatorily redeemable financial instruments of nonpublic entities is deferred indefinitely pending further Board action.

1. Are unconditional mandatorily redeemable financial instruments classified as liabilities unless the redemption is required to occur only upon the liquidation or termination of the reporting entity? (Note: A mandatorily redeemable financial instrument is conditional if the obligation depends upon the occurrence of an event not certain to occur. Death is not uncertain of occurrence; thus, death is not a condition.) [SFAS 150, par. 9 (AC F41.107)]

2. If all of the organization’s net assets are mandatorily redeemable financial instruments required to be classified as liabilities:

5. For all outstanding mandatorily redeemable financial instruments and for each settlement alternative, does the organization provide information about:
   a. The amount that would be paid determined under the conditions specified in the contract if the settlement were to occur at the reporting date?

   c. The maximum amount that the organization could be required to pay to redeem the instruments or that the contract does not limit the amount that the issuer could be required to pay, as applicable?

   [SFAS 117, pars. 19, 20 and 22 (AC No5.117, 118, and 120); SFAS 116, par. 17 (AC No5.146)]
4. If the organization reports an intermediate measure of operations (for example, excess or deficit of operating revenues over expenses), is this intermediate measure reported only in a financial statement that, at a minimum, reports the change in unrestricted net assets for the period? [SFAS 117, par. 23 (AC No5.120)]

5. If the organization’s use of the term operations is not apparent from the details provided on the face of the statement of activities, does a note to financial statements describe the nature of the reported measure of operations or the items excluded from operations? [SFAS 117, par. 23 (AC No5.120)]

6. Does the statement of activities report gross amounts of revenues and expenses? [SFAS 117, par. 24 (AC No5.121)]

   a. Reported as a separate component of income from continuing operations?
   b. Accompanied by disclosure of the nature and financial effects of each event? [APB 30, par. 26 (AC I22.101)]

12. In a period in which a component of an organization either has been disposed of or is classified as held for sale, do the statements of activities for the current period and any prior periods presented:

c. The principal factors used to conclude that the expected continuing cash flows are not direct cash flows of the disposed component?
[EITF 03-13, par. 17]

14. If an organization engages in a “continuation of activities” with a disposed component after its disposal and the amounts presented in continuing operations after the disposal transaction include a continuation of revenues and expenses that were intercompany transactions (eliminated in consolidated financial statements) before the disposal transaction, does the organization disclose the following information:

a. Intercompany amounts before the disposal transaction for all periods presented?

b. The types of continuing involvement, if any, that the entity will have after the disposal transaction (required only in the period in which operations are initially classified as discontinued)?
[EITF 03-13, par. 17]

B. Revenue Recognition (Other Than Contributions)

1. If the organization regularly provides discounts to certain recipients of its goods or services, are revenues reported net of those discounts or are the discounts displayed immediately beneath the revenues?
[AAG-NPO, par. 12.05]

2. Are all amounts related to shipping and handling fees and costs billed to a customer in a sale transaction classified as revenue, rather than a reduction of expense?
[EITF 00-10]

3. If a customer (grantor) reimburses the organization for “out-of-pocket” expenses (such as mileage, airfare, hotel, photocopies, and telephone), are reimbursements received classified as revenue in the statement of activities?

m. The auditor wishes to clarify that an audit performed in accordance with generally accepted auditing standards does not require the same level of testing and reporting on internal control over financial reporting as an audit of an issuer when Section 404(b) of the Sarbanes-Oxley Act is applicable? (Not required. Interpretation 17 of SAS 58 provides an example report.)
   [Interpretation 17 of SAS 58 (AU 9508.85–.88)]
   ____  ____  ____

n. The audit is conducted in accordance with both generally accepted auditing standards and the PCAOB’s auditing standards?
   [Interpretation 18 of SAS 58 (AU 9508.89–.91)]
   ____  ____  ____

7. If certain other information has been subjected to auditing procedures applied in the audit of the basic financial statements, does the auditor express an opinion on whether the information is fairly stated in all material respects in relation to those financial statements taken as a whole in the auditor’s report describing clearly the character of the auditor’s work and the degree of responsibility the auditor is taking?
   [SAS 8, par. 7, as amended by SAS 98 (AU 550.07); SAS 52, par. 9, as amended by SAS 98 (AU 558.09)]
   ____  ____  ____

Note: In March 2006, the AICPA’s Auditing Standards Board issued Statements on Auditing Standards No. 104–111, which provide extensive guidance concerning the auditor’s assessment of the risks of material misstatement in a financial statement audit, and the design and performance of audit procedures whose nature, timing and extent are responsive to the assessed risks. Among other things, the SASs establish standards and provide guidance on evaluating whether the audit evidence obtained affords a reasonable basis for an opinion regarding the financial statements under audit. The SASs are effective for audits of financial statements for periods beginning on or after December 15, 2006; earlier application is permitted.
8. Is a qualified opinion or disclaimer of opinion expressed if scope limitations preclude application of one or more auditing procedures considered necessary in the circumstances?1

[Yes] [No] [N/A]

[SAS 58, pars. 22–32, as amended by SAS 79 (AU 508.22–32); SAS 110, par. 76 (AU 318.76)]

Note: Consult the Topical Index to the AICPA Professional Standards under “Scope of Audit—Limitations” for additional references to specific types of scope limitations that could result in either a qualified or disclaimer of opinion.

9. Is a qualified opinion or disclaimer of opinion expressed if the auditor’s understanding of internal control raises doubts about the auditability of an organization’s financial statements, such as:

   a. Concerns about the integrity of an organization’s management cause the auditor to conclude that the risk of management misrepresentation in the financial statements is such that an audit cannot be conducted?

   [Yes] [No] [N/A]

   [SAS 109, par. 108 (AU 314.108)]

Note: Consult the Topical Index to the AICPA Professional Standards under “Scope of Audit—Limitations” for additional references to specific types of scope limitations that could result in either a qualified or disclaimer of opinion.

10. Is a qualified opinion or adverse opinion expressed if:

   a. A lack of conformity with GAAP (including inadequate disclosure) is present?2

   [Yes] [No] [N/A]

   [SAS 32, par. 3 (AU 431.03); SAS 58, pars. 35–57, as amended by SAS 79 (AU 508.35–57)]

   b. Essential data concerning an impending change in GAAP and the future resulting restatement are not disclosed?

   [Yes] [No] [N/A]

   [Interpretation 38 of SAS 1, sec. 410 (AU 9410.15)]

   c. The auditor concludes that an illegal act has a material effect on the financial statements and the act has not been properly accounted for or disclosed?

   [Yes] [No] [N/A]

   [SAS 54, par. 18 (AU 317.18)]

---

1 Scope limitations can be imposed by the client or by circumstances such as the timing of the auditor’s work, the inability to obtain sufficient appropriate audit evidence, or an inadequacy in the accounting records. This question also includes situations in which the auditor is unable to obtain sufficient appropriate audit evidence to support management’s assertions about the nature of a matter involving an uncertainty and its presentation or disclosure in the financial statements. [SAS 58, par. 31, as amended by SAS 79 (AU 508.31)] It also includes situations in which the auditor’s only evidence of the existence and/or valuation of (a) investments without readily determinable fair value or (b) interests held in trust by a third-party trustee is receiving confirmation from a third party for those assets. [Interpretation 1 of SAS 101 (AU 9328.01–04); Interpretation 1 of SAS 92 (AU 9332.01–04)]

2 The auditor should express a qualified or an adverse opinion if the auditor concludes that (a) a matter involving a risk or an uncertainty is not adequately disclosed, (b) the accounting principles used cause the financial statements to be materially misstated when the inability to make a reasonable estimate raises questions about the appropriateness of the accounting principles used, and (c) management’s estimate is unreasonable and that its effect is to cause the financial statements to be materially misstated. [SAS 58, pars. 46–49, as amended by SAS 79 (AU 508.46–49)]
11. If a qualified opinion, adverse opinion, or disclaimer of opinion is expressed, are all the substantive reasons for the opinion or disclaimer disclosed and is the reporting language appropriately modified? [SAS 58, pars. 21, 59, 60, and 62, as amended by SAS 79 (AU 508.21, .59, .60, and .62)]

12. If information accompanies the basic financial statements in an auditor-submitted document, does the report on the accompanying information:
   a. State that the audit is performed for the purpose of forming an opinion on the basic financial statements taken as a whole? [SAS 29, pars. 6–11 (AU 551.06–.11)]
   b. Specifically identify the accompanying information? [SAS 29, pars. 6–11 (AU 551.06–.11)]
   c. State that the accompanying information is presented for purposes of additional analysis and is not part of the basic financial statements?
   d. State whether the accompanying information is subject to the auditing procedures applied in an audit of the basic financial statements and the appropriate expression of opinion or disclaimer?

13. If supplementary information is included in a client-prepared document and the auditor has not subjected to the procedures described in SAS 52, is the information either marked “unaudited” or has the auditor included an explanatory paragraph in the report disclaiming an opinion on the information? [SAS 52, par. 3 (AU 558.03); AAG-NPO, par. 14.10]

Note: In May 2006, the AICPA’s Auditing Standards Board (ASB) issued SAS 112, Communicating Internal Control Related Matters Identified in an Audit. The Statement supersedes SAS 60, Communication of Internal Control Related Matters Noted in an Audit (AU 325A), and is effective for audits of financial statements for periods ending on or after December 15, 2006. Earlier implementation is permitted. Question 14 should be answered if SAS 112 is not applicable to the audit. Question 15 should be answered if SAS 112 is applicable to the audit.

14. Is the reporting form and content of SAS 60, paragraphs 9–19, followed when communicating internal control structure related matters noted in an audit? [SAS 60, pars. 9–19 (AU 325A.09–.19)]

Note: Consult the Topical Index to the AICPA Professional Standards under “Departures From Established Principles,” “Adverse Opinions,” and “Qualified Opinions” for additional references to specific types of GAAP departures that could result in either a qualified or adverse opinion.

Note: Consult the Topical Index to the AICPA Professional Standards under “Departures From Standard Report” for additional references to specific auditor’s report modifications.
15. Is the reporting form, content, and timing of SAS 112, paragraphs 20–30, followed when communicating matters related to an organization’s internal control over financial reporting identified in an audit of financial statements?4
[SAS 112, pars. 20–30 (AU 325.20–30)]

16. If the auditor is requested to audit Internal Revenue Form 990, “Return of Organizations Exempt From Income Tax,” is the appropriate report prepared?
[Interpretation 10 of SAS 62 (AU 9623.47–.54)]

17. If during a GAAS audit of the financial statements the auditor becomes aware that the organization is subject to an audit requirement not encompassed in the terms of the engagement (e.g., the entity is required to have an audit performed in accordance with OMB Circular A-133), the auditor must communicate to management and the audit committee, or to others with equivalent authority and responsibility, that a GAAS audit may not satisfy relevant legal, regulatory, or contractual requirements. Did the auditor consider the client’s actions in response to such communication (e.g., not arranging for an audit that meets the applicable requirements) including the potential effect on the financial statements and auditor’s report?
[SAS 74, pars. 22 and 23 (AU 801.22 and .23)]

18. If the financial statements and reports will be used by parties or distributed by the organization to parties other than the regulatory agencies to whose jurisdiction the organization is subject, has the standard form of report been modified as appropriate because of the departures from generally accepted accounting principles and has an additional paragraph been added to express an opinion on whether the financial statements are presented in conformity with the regulatory basis of accounting? (Interpretation 15 of SAS 62 provides an example report.)
[SAS 1, sec. 544, par. 4 (AU 544.04); Interpretation 15 of SAS 62 (AU 9623.96–.98)]

---

4 Auditors are required to communicate control deficiencies identified during an audit that are significant deficiencies or material weaknesses as defined by SAS 112, including significant deficiencies or material weaknesses that were communicated in previous audits and have not yet been remediated. Those control deficiencies must be communicated in writing to management and those charged with governance.
FSP Section 14,400

Auditors’ Reports on Audits Performed in Accordance With Government Auditing Standards and Circular A-133 Checklist

.01 Government Auditing Standards (also referred to as the Yellow Book), issued by the Comptroller General of the United States of the Government Accountability Office (GAO), applies to the audits of governmental entities, programs, activities, and functions, and of governmental assistance administered by contractors, not-for-profit organizations (NPOs), and other nongovernmental entities, when required by statute or other mandates or when auditors hold themselves out as following those standards. The Single Audit Act Amendments of 1996 (the Single Audit Act) and Office of Management and Budget (OMB) Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations (Circular A-133), require a single or program-specific audit for entities that expend $500,000 or more of federal awards in a fiscal year. The Single Audit Act requires single audits and program-specific audits of federal awards to be performed in accordance with Government Auditing Standards. Similarly, Government Auditing Standards requires the use of its standards when auditing compliance with regulations relating to federal award expenditures and other governmental financial assistance in conjunction with or as a byproduct of a financial statement audit.

.02 This checklist has two parts: Part I is for auditor’s reports on financial statement audits performed in accordance with Government Auditing Standards. (This checklist does not address the performance auditing or attestation standards of Government Auditing Standards. It also does not address types of financial audits other than financial statement audits, except for Circular A-133 audits.) Part II contains the additional requirements for auditor’s reports on audits performed in accordance with the Single Audit Act and Circular A-133. For audits performed in accordance with Circular A-133, both Parts I and II of this checklist must be completed. Illustrative auditor’s reports on financial statement audits performed in accordance with Government Auditing Standards and illustrative auditor’s reports and an illustrative schedule of findings and questioned costs for Circular A-133 audits are in the AICPA Audit Guide Government Auditing Standards and Circular A-133 Audits.

.04 The Public Company Accounting Oversight Board (PCAOB) establishes standards for audits of “issuers,” as that term is defined by the Sarbanes-Oxley Act of 2002 (the Act) or whose audit is prescribed by the

---

1 As discussed in paragraph 4.24 of the AICPA Audit Guide Government Auditing Standards and Circular A-133 Audits, paragraph 5.07 of Government Auditing Standards acknowledges that an auditee may need a financial statement audit for purposes other than to comply with a requirement calling for an audit in accordance with Government Auditing Standards. For example, the auditee may need a financial statement audit to issue bonds. In that case, Government Auditing Standards permits auditors to issue a separate report on the financial statements conforming only to the requirements of generally accepted auditing standards (GAAS). (At the time of the publication of this document, the GAO was in the process of revising Government Auditing Standards. The information contained in this checklist is based on the 2003 Version of Government Auditing Standards.)
rules of the Securities and Exchange Commission (SEC). Other entities are referred to as “nonissuers.” Because not-for-profit organizations are nonissuers, this checklist does not address PCAOB standards. However, while not common, the auditor may be engaged to audit and report on the effectiveness of a not-for-profit organization’s internal control over financial reporting in accordance with PCAOB auditing standards. In those cases, the auditor should modify this checklist considering the guidance in PCAOB standards, the GAO Internet Notice at www.gao.gov/govaud/ybk01.htm titled Guidance on Complying with Government Auditing Standards Reporting Requirements for the Report on Internal Control for Audits of Certain Entities Subject to the Requirements of the Sarbanes-Oxley Act of 2002 and Government Auditing Standards, and Auditing Interpretation 18, “Reference to PCAOB Standards in an Audit Report on a Nonissuer,” of SAS 58, as amended (AU 9508.89–92), as well as the discussion in the Notice to Readers and Appendix A to Chapter 4 of the AICPA Audit Guide Government Auditing Standards and Circular A-133 Audits.

.06 Checklist Questionnaire:

Yes  No  N/A

Part I—Reports on Audits Performed in Accordance With

Government Auditing Standards

1. In a financial statement audit performed in accordance with Government Auditing Standards, has the auditor issued the following reports:

   a. A report on the entity’s financial statements that provides an opinion or disclaimer of opinion on the financial statements? [GAS, par. 5.03; AAG-SLA, pars. 4.03 and 4.21]

   b. A report on internal control over financial reporting and on compliance and other matters based on an audit of financial statements performed in accordance with Government Auditing Standards? [GAS, pars. 5.08 and 5.12; AAG-SLA, pars. 4.03, 4.07, and 4.25]

Report on the Financial Statements

2. In addition to the elements listed in the checklist for the auditor’s report on the financial statements at FSP section 14,600, does the auditor’s report on the financial statements contain:

   a. If an auditee prepares financial statements in conformity with comprehensive bases of accounting other than generally accepted accounting principles (GAAP), known as other comprehensive bases of accounting, or OCBOA, the auditor still is required to express or disclaim an opinion and should follow the reporting in SAS 62 (AU 623), as amended. [AAG-SLA, par. 4.21h, fn. 21]
a. A statement that the audit was conducted in accordance with the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States?³

[GAS, par. 5.05; AAG-SLA, pars. 4.04a, 4.21d, and 4.23]

b. A reference to the separate report on internal control over financial reporting and on compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters prepared in accordance with Government Auditing Standards;³ which includes:

(1) A statement that the purpose of that report is to describe the scope of testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance?⁵

(2) A statement that the separate report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of the audit?

[GAS, par. 5.08; AAG-SLA, pars. 4.04b and 4.21i]

3. If the auditor does not follow an applicable standard of Government Auditing Standards, does the scope section of the report disclose the standard that was not followed, the reasons therefore, and how not following the standard affected, or could have affected, the results of the audit?

[GAS, par. 5.06; AAG-SLA, par. 4.23]

4. If a material organizational unit is not required to have an audit in accordance with Government Auditing Standards, has the scope paragraph of the report on the financial statements been modified to indicate the portion of the entity that was not audited in accordance with Government Auditing Standards?

[AAG-SLA, pars. 4.37 and 4.38]

Report on Internal Control Over Financial Reporting and On Compliance and Other Matters Based on an Audit Performed in Accordance With Government Auditing Standards

5. Does the auditor’s report on internal control over financial reporting and on compliance and other matters conform to the standard report language illustrated in AAG-SLA?

[AAG-SLA, par. 4.50, Exs. 4-3 and 4-4]

³ When personal, external, and organizational impairments to independence exist, a government auditor who cannot decline to perform the work because of a legislative requirement or for other reasons should report the impairment in the scope section of the auditor’s report. [GAS, par. 3.05; AAG-SLA, par. 4.21d, fn. 20]

⁴ If the reporting on internal control over financial reporting and on compliance and other matters is included in the report on the financial statements, the reference to the separate report is not required. The Audit Guide Government Auditing Standards and Circular A-133 Audits recommends separate reporting. [AAG-SLA, pars. 4.04b and 4.21i]

⁵ Paragraph 5.08 of Government Auditing Standards permits, but does not require, an opinion on internal control over financial reporting or on compliance if sufficient work was performed. This statement should be modified if the auditor is providing an opinion on internal control over financial reporting or on compliance in the Government Auditing Standards report. [AAG-SLA, pars. 4.04b, fn. 6 and 4.21i, fn. 7]
6. Does the auditor’s report on internal control over financial reporting and on compliance and other matters contain:

a. A statement that the auditor has audited the financial statements of the auditee and a reference to the auditor’s report on the financial statements, including a description of any departure from the standard report (for example, a qualified opinion, a modification as to consistency because of a change in accounting principle, or a reference to the report of other auditors)?

   [AAG-SLA, pars. 4.26a and 4.50a, Ex. 4-3, fn. 24]

b. A statement that the audit was conducted in accordance with GAAS (with an identification of the United States of America as the country of origin of those standards) and with the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States?

   

c. A statement that in planning and performing the audit, the auditor considered the auditee’s internal control over financial reporting in order to determine the auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide an opinion on the internal control over financial reporting?

   

d. If applicable, a statement that reportable conditions were noted and the definition of a reportable condition?

   

e. If no reportable conditions are noted, a statement that the auditor’s consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses; if reportable conditions are noted, a statement that the auditor’s consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses?

   

f. If applicable, a description of the reportable conditions noted (including the views of responsible officials and their planned corrective action) or a reference to a separate schedule in which the reportable conditions, views of responsible officials, and their planned corrective action are described?

   

g. The definition of a material weakness?

   

h. If applicable, a statement about whether the auditor believes any of the reportable conditions noted are material weaknesses and, if they are, that identifies which reportable conditions are considered material weaknesses? (If there are no reportable conditions noted, a statement is made that no material weaknesses were noted.)

   

---

\[a\] See footnote 3. [GAS, par. 3.05; AAG-SLA, par. 4.26b, fn. 27]

\[b\] Paragraph 5.08 of Government Auditing Standards permits, but does not require, an opinion on internal control over financial reporting or on compliance if sufficient work was performed. This statement should be modified if the auditor is providing an opinion on internal control over financial reporting. [AAG-SLA, par. 4.26c, fn. 28]

\[c\] For an audit in accordance with Circular A-133, all findings, including those required to be reported under Government Auditing Standards, should be included in the schedule of findings and questioned costs. Therefore, for such audits, this report should refer to the schedule of findings and questioned costs. See the questions about that schedule in Part II of this checklist. [AAG-SLA, pars. 4.26f, fn. 29 and 12.17]

\[d\] In reporting reportable conditions, the auditor should identify those that are individually or in the aggregate material weaknesses. [GAS, par. 5.14; AAG-SLA, par. 4.08]
i. A statement that as part of obtaining reasonable assurance about whether the auditee’s financial statements are free of material misstatement, the auditor performed tests of the auditee’s compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts?

j. A statement that providing an opinion on compliance with those provisions was not an objective of the audit and that, accordingly, the auditor does not express such an opinion?10

k. A statement that notes whether the results of tests disclosed instances of noncompliance or other matters (certain fraud and abuse) that are required to be reported under Government Auditing Standards and, if they are, describes the instances of noncompliance and other matters (including the views of responsible officials and their planned corrective action) or refers to the separate schedule in which the noncompliance and other matters, views of responsible officials, and their planned corrective action are described?11

l. If applicable, a statement that additional matters were communicated to the auditee in a management letter?

m. A separate paragraph at the end of the report stating that the report is intended solely for the information and use of the audit committee, management and specified legislative or regulatory bodies12 and is not intended to be and should not be used by anyone other than these specified parties?13

n. The manual or printed signature of the auditor’s firm?

o. The date of the auditor’s report?

7. Does the report carry the same date as the report on the financial statements?

8. If a material operating unit or organizational component is not required to have an audit in accordance with Government Auditing Standards, has the scope paragraph of the report been modified to indicate the portion of the entity that was not audited in accordance with Government Auditing Standards?

---

10 Paragraph 5.08 of Government Auditing Standards permits, but does not require, an opinion on internal control over financial reporting or on compliance if sufficient work was performed. This statement should be modified if the auditor is providing an opinion on compliance. [AAG-SLA, par. 4.26, fn. 30]

11 See footnote 8. [AAG-SLA, par. 4.26, fn. 32]

12 For an audit in accordance with Circular A-133, this reference should include federal awarding agencies and, if applicable, pass-through entities. [AAG-SLA, pars. 4.26m, fn. 34 and 12.17]

13 This paragraph conforms to SAS 87, Restricting the Use of an Auditor’s Report (AU 532). See SAS 87 for additional guidance on restricted-use reports. [AAG-SLA, par. 4.26m, fn. 35]
9. If certain pertinent information is prohibited from general disclosure (as it may be by federal, state, or local laws or regulations), does the auditor’s report state the nature of the information omitted and the requirement that makes the omission necessary? [GAS, par. 5.31; AAG-SLA, par. 4.04e]  

10. Does the language in the compliance and other matters section of the report refer to findings that do or may include fraud and abuse? (That language should appear in all reports, even if the report does not describe or refer to findings of fraud or abuse or even if the only findings of fraud or abuse are described in or referred to from the section on internal control over financial reporting.) [AAG-SLA, par. 4.29]  

11. Are findings that relate to both internal control over financial reporting and to compliance reported in or referred to from both the section of the report concerning internal control over financial reporting and in the section of the report concerning compliance and other matters? (The reporting in one section of the report or schedule may be in summary form with a reference to a detailed reporting in the other section.) [AAG-SLA, par. 4.28]  

12. Are findings of fraud and abuse reported in or referred to from the compliance and other matters section of the report, unless the primary nature of the finding is a reportable condition in internal control? (Auditors should present or refer to findings of fraud and abuse that represent reportable conditions in internal control in the internal control section.) [AAG-SLA, par. 4.29]  

13. Do the reported findings include all identified deficiencies in internal control over financial reporting considered to be reportable conditions and all fraud and illegal acts (unless clearly inconsequential), and material violations of provisions of contracts or grant agreements and material abuse that has occurred or is likely to have occurred? [GAS, par. 5.12; AAG-SLA, pars. 4.04c, 4.08, 4.15, 4.16, 4.27, and 12.33]  

a. Does the auditor limit the public reporting of fraud, illegal acts, violations of provisions of contracts or grant agreements, or abuse to matters that would not compromise investigative or legal proceedings? [GAS, par. 5.25; AAG-SLA, par. 4.20]  

14. Does each finding include a reference number? (For example, findings identified and reported in the audit of fiscal year 20X1 could be assigned reference numbers 20X1-1, 20X1-2, and so forth.) [AAG-SLA, par. 4.32]  

---

14 In an audit conducted in accordance with Circular A-133, the auditor should apply a financial statement materiality consideration in reporting in the Government Auditing Standards report fraud and illegal acts involving federal awards that are subject to Circular A-133 reporting. [AAG-SLA, pars. 4.15, 12.16, and 12.33]  

15 Although Government Auditing Standards uses the term significant in its reporting standard for violations of provisions of contracts or grant agreements and abuse, footnote 47 to paragraph 4.18 of Government Auditing Standards states that it considers the terms material and significant to be synonymous. For consistency, the Audit Guide Government Auditing Standards and Circular A-133 Audits and this checklist use the term material when discussing that standard. [AAG-SLA, par. 4.04c, fn. 8]  

16 Government Auditing Standards requires this reporting even if the auditor disclaims an opinion on the financial statements. Government Auditing Standards also provides reporting requirements for other findings of internal control deficiencies, fraud, illegal acts, violations of provisions of contracts or grants agreements, and abuse; see Questions 18 and 19.
15. Do the reported findings place the findings in proper perspective (or context) by describing the work performed that resulted in the finding? (The identified instances should be related to the population or the number of cases examined and be quantified in terms of dollar value, if appropriate.)

Yes  No  N/A

[GAAS, pars. 5.14 and 5.18; AAG-SLA, par. 4.30]

a. When reporting instances of fraud, illegal acts, violations of provisions of contracts or grant agreements, or abuse, are the results projected? (If the results cannot be projected, conclusions in the findings should be limited to the items tested.)

[GAAS, par. 5.18; AAG-SLA, par. 4.30]

16. To the extent possible, do the reported findings present criteria, condition, cause, effect, and recommendation?

[GAAS, pars. 5.15 and 5.19; AAG-SLA, par. 4.31]

17. Does the auditor’s report include the views of responsible officials concerning the findings, conclusions, and recommendations, as well as planned corrective actions?17, 18

[GAAS, par. 5.26; AAG-SLA, pars. 4.04d and 4.33]

a. If the auditee’s views oppose the report’s findings, conclusions, or recommendations, and are not, in the auditor’s opinion, valid—or if the planned corrective actions do not adequately address the auditor’s recommendations—does the report state reasons for disagreeing with the comments or planned corrective actions?

[GAAS, par. 5.30; AAG-SLA, par. 4.33]

Other Reporting and Communication Considerations

18. Does the management letter communicate the following unless clearly inconsequential—deficiencies in internal control that are not reportable conditions, immaterial violations of provisions of contracts or grant agreements, and immaterial abuse?19

[GAAS, pars. 5.16 and 5.20; AAG-SLA, pars. 4.17 and 4.35]

a. Are the management letter discussions worded so that readers can distinguish those matters that are required to be included by GAAS or Government Auditing Standards from matters that are recommendations for improvements or information about “best practices”?

[AAG-SLA, par. 4.36]

---

17 In an audit in accordance with Circular A-133, the auditee is required to submit a corrective action plan. For those audits, depending on the status of the development of the corrective action plan at the time the auditor’s reports are released, the auditor may be able to refer to the corrective action plan to satisfy as the required presentation of the auditee’s views and planned corrective actions. See the questions about the reporting of auditee views and the corrective action plan in Part II of this checklist. [AAG-SLA, par. 4.33, fn. 39]

18 The auditor is required to extend a reasonable effort to obtain and report auditee views and planned corrective actions. Government Auditing Standards does not require the auditor to delay or withhold the release of the report if the auditee does not provide the necessary information on a timely basis. If, however, the auditee does not provide the necessary information by the time the report is released, the report should indicate the status of the auditee’s response. [AAG-SLA, par. 4.34]

19 Generally, Government Auditing Standards requires the auditor to evaluate findings for the purpose of communication in the management letter based on their consequence to the financial statements or other financial data significant to the audit objectives. In an audit in accordance with Circular A-133, however, the auditor should evaluate findings involving federal awards for the purpose of that communication based only on their consequence to the financial statements. Further, the auditor should not communicate such findings in the management letter if they are otherwise reported as audit findings in accordance with Circular A-133. [AAG-SLA, pars. 4.35, fn. 40 and 12.25]
b. Does the management letter not include personal identification or other potentially sensitive matters?
   [AAG-SLA, par. 4.48]

19. Has the auditor used professional judgment to determine whether and how to communicate to auditee officials deficiencies in internal control, fraud, illegal acts, violations of provisions of contracts or grant agreements, and abuse that are clearly inconsequential?20
   [GAS, pars. 5.16 and 5.20; AAG-SLA, par. 4.35]

20. Has the auditor reported fraud, illegal acts, violations of provisions of contracts or grant agreements, and abuse directly to parties outside of the auditee in the situations required by Government Auditing Standards, even if the auditor has resigned or been dismissed from the audit?
   [GAS, pars. 5.21–5.25; AAG-SLA, pars. 4.18–4.20]

21. Has the auditor communicated the following information, preferably in a writing such as the engagement letter, to officials of the audited entity and to the individuals contracting for or requesting the audit during the planning stages of the audit:
   a. The auditor’s responsibilities for testing and reporting on internal control over financial reporting and on compliance with laws, regulations, and provisions of contracts or grant agreements?
   b. The nature of any additional testing of internal control and compliance required by laws, regulations, and provisions of contracts or grant agreements or otherwise requested, and whether the auditor is planning on providing an opinion on internal control over financial reporting or on compliance with laws, regulations, and provisions of contracts or grant agreements?
   c. A contrasting of the responsibilities in Questions a and b above with other audits of internal control and compliance?
   d. Potential restrictions on the auditor’s reports?
      [GAS, pars. 4.06–4.11; AAG-SLA, pars. 2.18 and 2.19]
   e. Additional relevant topics, such as the auditor’s fieldwork and reporting responsibilities for fraud and abuse?
      [AAG-SLA, par. 2.18]

22. If an audit is terminated before it is complete, is the reason for terminating the audit communicated to auditee management, the entity requesting the audit, and other appropriate officials, preferably in writing?
   [GAS, par. 4.09; AAG-SLA, par. 2.20]

23. If the auditor is:
   a. A government auditor, does the auditor submit the auditor’s reports to the appropriate officials of the audited entity, appropriate officials of the organizations requiring or arranging for the audits (unless legal restrictions prevent it), and other officials who have legal oversight authority or who may be responsible for acting on audit findings and recommendations and to others authorized to receive such reports?

---

20 GAAS require that whenever the auditor has determined that there is evidence that fraud may exist, the auditor should bring that matter to the attention of an appropriate level of management, even if the matter might be considered inconsequential. [SAS 99, par. 79 (AU 316.79); AAG-SLA, pars. 4.11 and 4.35, fn. 42]
b. A nongovernment auditor, does the auditor clarify report distribution responsibilities with the party contracting for the audit and follow the agreements reached? [GAS, par. 5.34; AAG-SLA, par. 4.04f]

24. Unless the report is restricted by law or regulation, or contains privileged and confidential information, does the auditor clarify that copies are made available for public inspection? (That clarification should be made in the engagement letter and may also be made in correspondence that transmits the reports to the auditee and other recipients.) [GAS, par. 5.34; AAG-SLA, par. 4.04f and fn. 10]

Part II—Reports on Audits Performed in Accordance With Circular A-133

1. In an audit performed in accordance with Circular A-133, has the auditor issued the following reports in addition to those in Part I of this checklist:21
   a. A report on the supplementary schedule of expenditures of federal awards?
   b. A report on compliance with requirements applicable to each major program and on internal control over compliance in accordance with Circular A-133?

      [A-133, sec. 505; AAG-SLA, par. 12.07 and fns. 2 and 4]

Is the report on the schedule (a) included in the auditor’s report on the financial statements, (b) included in the report on compliance with requirements applicable to each major program and on internal control over compliance in accordance with Circular A-133, or (c) issued as a stand-alone report? [AAG-SLA, pars. 12.12, 12.15, 12.24, and 12.28]

3. If the report on the financial statements refers to the work of other auditors, has the auditor considered the need to refer to the major federal programs audited by other auditors in the report on the schedule? [AAG-SLA, par. 12.29]

4. If the report on the schedule is included in the auditor’s report on the financial statements or in the Circular A-133 report on compliance and on internal control over compliance, does it:
   b. Identify the schedule of expenditures of federal awards as accompanying supplementary information by descriptive title or by page number of the document?

---

Program-Specific Audits

\textbf{Practice Tip}

When an auditee expends federal awards under only one federal program (excluding research and development) and the federal program’s laws, regulations, or grant agreements do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit. A program-specific audit may not be elected for research and development unless all federal awards expended were received from the same federal agency (or the same federal agency and the same pass-through entity) and that federal agency (or pass-through entity, in the case of a subrecipient) approves a program-specific audit in advance. [A-133, sec. 200; AAG-SLA, par. 13.02]

31. If a program-specific audit guide is available and current with regard to the program’s compliance requirements, has the auditor issued the reports required by the guide?
[A-133, sec. 235(a); AAG-SLA, par. 13.04]

32. If a program-specific audit guide is not available or not current with regard to the program’s compliance requirements, has the auditor issued the following reports:\textsuperscript{27, 28}

\begin{itemize}
  \item a. A report on the federal program’s financial statements that provides an opinion or disclaimer of opinion on the financial statements?
  \item b. A report on compliance with requirements applicable to the federal program and on the internal control over compliance in accordance with the program-specific audit option under Circular A-133?
\end{itemize}

\textsuperscript{26} The data collection form and related instructions are available from the Federal Audit Clearinghouse’s (FAC’s) home page at http://harvester.census.gov/sac or by calling the FAC at (888) 222-9907. The form number is SF-SAC. The FAC prefers to receive the data collection form via an online Internet Data Entry System (IDES). The Office of Management and Budget periodically revises the data collection form and its accompanying instructions. Auditors should exercise caution to make sure they use the version of the form and instructions that applies to the fiscal year audited. [AAG-SLA, par. 12.46 and fn. 27]

\textsuperscript{27} If the financial statement(s) of the program present only the activity of the federal program, the auditor is not required to issue a separate report to meet the reporting requirements of GAS. However, if the financial statement(s) of the federal program present more than the program’s activity the auditor should issue a separate GAS report and modify it so that it refers only to the financial statement(s) of the federal program. [AAG-SLA, par. 13.10]

\textsuperscript{28} See footnote 21.
c. A schedule of findings and questioned costs for the program?  
[A-133, sec. 235(b)(4); AAG-SLA, pars. 13.07–13.09]

33. Do the reports conform to the standard report language illustrated in AAG-SLA?

Accountants’ Reports on Compiled or Reviewed Financial Statements Checklist

.01 This checklist has been developed by the staff of the Accounting and Auditing Publications Team of the AICPA as a nonauthoritative practice aid. Additionally, the Compilation and Review Alert (available at www.cpa2biz.com) is published annually to provide CPAs with an update on recent practice issues and professional standards that affect compilation and review engagements. The Alert is an Other Compilation and Review Publication as defined in Statement on Standards for Accounting and Review Services (SSARS) 11, Standards for Accounting and Review Services (AR 50). Other Compilation and Review Publications have no authoritative status; however, they may help the accountant understand and apply the SSARS.

.02 Explanation of References:

- SSARS = AICPA Statement on Standards for Accounting and Review Services
- AR = Reference to section number in AICPA Professional Standards (vol. 2)

.03 This checklist is divided into three parts. Part I should be used by accountants engaged to report on compiled financial statements or accountants that submit compiled financial statements to a client that are or reasonably might be expected to be used by a third party. Part II should be used by accountants that submit compiled financial statements to a client that are not reasonably expected to be used by a third party. Part III should be used if the accountant performs a review of financial statements. SSARS 1, Compilation and Review of Financial Statements, as amended (AR 100.04), defines the terms “compilation of financial statements” and “review of financial statements.”

.04 Checklist Questionnaire:

Part I—For Engagements to Report on Compiled Financial Statements or for Accountants That Submit Compiled Financial Statements to a Client That Are or Reasonably Might Be Expected to Be Used by a Third Party

1. Is the compilation report appropriately worded to state that:

The Board of Directors
Big Brothers of Any County, Inc.

We have audited the accompanying statement of financial position of Big Brothers of Any County, Inc. (an Any State not-for-profit corporation) as of December 31, 20X6 and the related statements of activities, cash flows, and functional expenses for the year then ended. These financial statements are the responsibility of the Organization’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. [Optional: An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City’s internal control over financial reporting. Accordingly, we express no such opinion.] An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Big Brothers of Any County, Inc. as of December 31, 20X6, and the changes in net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

BIG BROTHERS OF ANY COUNTY, INC.

Notes to Financial Statements
For the Year Ended December 31, 20X6

Note 1: Nature of Organization and Significant Accounting Policies

Big Brothers of Any County, Inc. (the Organization) is a nonprofit organization dedicated to helping single-parent children in southeastern AnyState by building friendships with screened adult volunteers. The Organization focuses mainly on matching adult volunteers and children based on common interests and the child’s specific needs. The Big Brothers Mentoring Program matches children with adult volunteers on a one-to-one basis. The Big Buddy Program offers monthly group activities, including Outreach Sports Tournaments, for children on the waiting list. Revenues are derived principally from the Organization’s programs and from contributions.

Support and Expenses. Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

The Organization reports gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Donated Services, Goods, and Facilities. The Organization’s success in conducting its mission is highly dependent on attracting committed men from Any County to serve as volunteer mentors to their Little Brothers or as volunteer activity coaches in the Big Buddy Program. A substantial number of volunteers have donated approximately 20,000 hours to the Organization’s program services and fund-raising campaigns during the year; however, these donated services are not reflected in the financial statements since the services do not require specialized skills. Donated professional services (which include accounting and legal services) are reflected in the statement of activities at their fair value.

Materials and other assets received as donations are recorded and reflected in the accompanying financial statements at their fair values at the date of receipt.

Conditional Promises to Give. As of December 31, 20X6, the Organization had received conditional promises to give aggregating $13,000 that are contingent upon the Organization’s raising matching corporate gifts.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents. Cash and cash equivalents consist of cash held in checking and money market accounts and certificates of deposit with maturities of less than 90 days except if those...
instruments are used to temporarily invest endowment funds until appropriate investments are identified.

**Investments.** Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the statement of financial position. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law.

**Concentrations of Credit and Market Risk.** Financial instruments that potentially expose the Organization to concentrations of credit and market risk consist primarily of cash equivalents and investments. Cash equivalents are maintained at high-quality financial institutions and credit exposure is limited at any one institution. The Organization has not experienced any losses on its cash equivalents. The Organization’s investments do not represent significant concentrations of market risk inasmuch as the Organization’s investment portfolio is adequately diversified among issuers, industries, and geographic regions.

**Vehicles and Office Equipment.** Vehicles and office equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful lives of the assets and computed on the straight-line method.

**Advertising Costs.** Advertising costs are expensed as incurred.

**Income Taxes.** The Organization is a nonprofit corporation whose revenue is derived from contributions and other fund-raising activities and is not subject to federal or state income taxes.

**Note 2: Assets to Be Disposed Of**

In January 20X6, management decided to dispose of the Organization’s arcade-game equipment due to the age and poor condition of the equipment. In connection with that decision, the Organization incurred a $45,000 charge to write down the arcade-game equipment to fair market value less costs to sell. The arcade-game equipment is expected to be disposed of by March 31, 20X7. After the write-down, the equipment is recorded in unrestricted net assets at $5,000 and is no longer being depreciated.

The Organization’s monthly rent under a signed lease agreement is $5 per month. Note 7: Lease Commitments

The Organization leased its Any City office facilities under a noncancellable operating lease that expired December 31, 20X6. Rental expense for the year ended December 31, 20X6 including common area expenses was $42,500.

In December 20X6, the Organization signed a lease agreement for contributed office facilities for a term of ten years. The Organization may cancel the lease at any time with a 30-day notice. See also note 4.

Note 8: Functional Allocation of Expenses

The costs of providing the various programs, fund-raising and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and fund-raising activities benefited.

During 20X6, the Organization conducted program activities that also included requests for contributions. Those activities included requesting contributions at the Outreach Sports Tournaments and through direct mail campaigns. The costs of those activities included a total of $27,000 of joint costs, which were not specifically identifiable to either the program component or the fund-raising component of the activities. These joint costs were allocated $15,000 to program activities and $12,000 to fund raising.

Note 9: Temporarily Restricted Net Assets

Temporarily restricted net assets are available for the following specific program services:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Contributions receivable from the Combined Federal Campaign</td>
<td>$ 18,100</td>
</tr>
<tr>
<td>Other time-restricted contributions receivable</td>

</tr>
<tr>
<td>Donated facilities available for future years</td>
<td>248,450</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$290,550</strong></td>
</tr>
</tbody>
</table>
Note 10: Permanently Restricted Assets

Permanently restricted assets of $68,700 are restricted to investments in perpetuity, the income from which is expendable to support the Big Brother Outreach Campaign.

Note 11: Litigation

In November 20X6 a legal action was filed against the Organization by a former employee alleging wrongful termination and other charges. The plaintiff is seeking $2,000,000 in damages. The Organization believes the claim is without merit and has not accrued any loss contingency. While the Organization believes it has excellent defenses against the suit, the ultimate resolution of the matter, which is expected to occur within one year, could result in a loss of up to $300,000 after insurance coverage.
