Dear Jim,

Just a brief note to indicate the pleasure it was for me to have the opportunity to visit with you and Carbone last Friday. I hope we didn't make you late for dinner.

The boys enjoyed the visit too, especially Paul, the older boy.

Children are a good judge of character. Paul said you were a "nice man" - so your ego should receive some support from this evaluation to fortify you for the stress + strain of life at Ole Miss.

Cordially

P.S. Your analysis of S.A.C. almost qualifies you for the practice of psychiatry.
