September 21, 1939.

To Secretaries of
State Boards of Accountancy.

Gentlemen:

The 1939 year-book of the American Institute of Accountants will contain, as usual, a list of members of state boards of accountancy. Will you, therefore, please let us know whether or not the following is the correct title and personnel of your state board?

It will be quite satisfactory if you will merely indicate on this letter any changes which may have occurred in the title and personnel of your board.

We are particularly anxious that the addresses be accurate, that the officers be correctly designated and that each C. P. A. on the board be indicated.

We should also like to have a list of the C. P. A. certificates issued in your jurisdiction since

If there is any expense involved, the Institute will, of course, be glad to meet it.

With thanks in advance for your assistance,

Yours sincerely,

JOHN L. CAREY

Secretary.
