Members of the Council
American Institute of Accountants

Gentlemen:

The board of examiners has resolved to recommend the election of certain applicants for admission to the Institute. These recommendations are based in part upon the examinations conducted by the Institute and in part upon the recognition of other examinations.

It is desirable that names of applicants who have satisfied the board of examiners should be submitted at once to the Council for election. Accordingly, I submit a list of applicants with the request that you register your vote in favor of or against the election of applicants and return the ballot at your earliest convenience to the office of the Institute.

Yours truly,

CLEM W. COLLINS

President.
