Dr J. W. Silver,
Dear Sir,

Dec 1963

Pardon intrusion into privacy once more,
received a nice letter back from you
Nov 23, 1962, I appreciated very much.

Some few years ago, some nice people, helped
me on compromise of tract and mineo. letter,
Colossians 3-17, they were not members of
the Church, I was helped on comment and
paragraphs, on other page one in pure
quest work on compromise, so in this.

I am sorry for recent attacks on you,
I am familiar with that in my work
for Christ, Dr. I have the **Pedi**, and
close to 300 churches against me,
what affects me in silence, my
big disappointment in no mail
today, when I look in mail box,
I am of Scotch descent, educated
myself, I read all of those letters in
power against you, I write them,

no comment in my first paragraph
on page one, it varies, I merely
state, good job, my interest is in
future endeavor, they may become
Christians, hope you understand.

I hope you hold too, what
you believe in, and you will
win in your fight, in my
love my ancestors come from
poor class, never knew riches, I
am satisfied to be a Christian.

Yours respectfully,
J. B. McCallister,
Galatians 4:21, hope I am
your friend.
