# John Bull's Return FROM France,

Pitts Printer Toy and Marble Warehouse  
6, Great st. Andrew street 7 dials

**N**OW France and Spain are going to war  
The English are flocking to Dover,  
And running from Paris away to Calais  
On board the packet for Dover,  
Who all went hence to learn French;  
And sing and caper and dance str,  
But you'll laugh to see them capering now,  
As fast as they can from France sir

### CHORUS

They say young Boney will come back  
To stay here will not suit Sir  
He'll kick us all bang out of France  
With his fathers three league boots sir

Crys Miss Papa lets pack our things,  
and let's be off to Dover,  
For if we stay much longer here  
Perhaps we shant't get over,  
Then helter skelter they did start,  
My eye what rout and racket  
To see them shove and push about  
To get on board the Packet,

Oh Captain pray look out I say,  
Take care of my wife and dater,  
But scarcely had he spoke the word  
When Polly fell into the water,  
Her sweet mamma did faint for fear  
The old man he went in after,  
And lost his cane nis hat and wig,  
And almost lost his daughter,

Oh Captain pray take me away,  
And any money I'll pay Sir,  
And if over to Dover I get again,  
I'll never more come away Sir  
For they say young Boney's coming back  
How he could make us dance sir,  
He'd bring a rod to tickle our backs  
and drive us all out of France Sir,

They're all flocking away afraid to stay  
Old young and lame and blind sir,  
And both night and day they travel away  
They never once look behind sir  
While they that could pay came riding away  
Upon horses mules and donkeys  
And when they got in the packet, they looked  
As a waggon load of monkeys [as wild

Like so many wild cats and drowned rats  
They look when they come to Dover  
And Captains made them nely pay  
Before they'll bring them over,  
Now after the flight and ducking they got  
They won't want again to roam sir  
And it serves them right for let them stop  
and spend their money at home sir.
