## Academy Donates Books to University of Mississippi Library's Archives & Special Collections

On March 5, 2014, Academy Trustees, Dale Flesher and Gary Previts, met with Julia Rholes and Royce Kurtz of the University of Mississippi Library's Archives and Special Collections to present three books on behalf of the Academy. Due to the books' unique and rare nature they are best protected in a library's special collection

**The Philosophy of Accounts**, Charles E. Sprague, 1908, Second Edition, autographed copy, received from the collection of Andrew D. Braden.

**Jones's English System of Book-Keeping**, Edward T. Jones, 1796, First American Edition, received from the collection of the Academy Research Center at Georgia State University.

**The American Accountant**, Benjamin Workman, 1796, Third Edition, Philadelphia, received from the collection of the Academy Research Center at Georgia State University.
