FOREWORD

The publication of this geographical list of accounting firms and individual practitioners has been authorized by the executive committee of the Institute.

Firms which have at least one partner who is a member or associate of the Institute, and individual practitioners who themselves are members or associates, are listed. Only the firm name and address in each city is included.

The number following the street address is the postal zone number.

Offices are listed in accordance with information furnished to us by members in response to our request. In the absence of such information, the listings were compiled from our records.

Offices in Puerto Rico, Guam and the Virgin Islands are shown near the end of the list. Those in foreign countries are not included.

An alphabetical directory of all members and associates is scheduled to be published in 1963.
