## **James McKinney Receives 2015 Innovation in Accounting History Education Award**

James McKinney, a Clinical Professor of Accounting and Information Assurance at the Robert H. Smith School of Business at the University of Maryland is an award winning author of accounting research, teacher, and student organization faculty advisor. He has served as President of the Academy of Accounting Historians as well as an editor of one of its publications, the *Accounting Historians Notebook*, Vice President – Communications, and is currently an Academy Trustee. He is a CPA and has worked in public accounting, including the national auditing office of his firm, as well as in the internal audit department of a Fortune 500 company. He served as a Board member of the Maryland Association of CPAs. McKinney has given numerous presentations of his research at the national and international meetings of the American Accounting Association, the Academy of Accounting Historians, and the World Congress of Accounting Historians. His research relates primarily to accounting professionalization and organizational issues both current and historic.
