Dear Dr. Silver:

While I had your request on my mind I thought I would try to do it. The meeting in 1954 with Governor White will always be remembered by me. Some of the detail have slipped me but the importance of the meeting **I** doubt if I will ever forget.

I want to thank you for your visit last Friday. I am grateful for your friendship and hope that I will always be worthy of your association. I hope your son will be able to adjust to the life of a soldier. When you hear from him please convey my regards to him and ask him to write as I would like to keep in touch with him as time goes on.

I would like for you to thank Mrs. Silver for the courteous way that she accepted my telephone call to you relative to my visit on the Campus today.

Look forward to seeing you and your friends again soon.

Aaron.
