Dear Jim,

It certainly was good to hear from you. I shall be delighted for you to make use of the affidavit and the taped interview. However, would you get the copies from Bill Peters, as it would entail a trip to Boston for me. You can rely on Peter's statement of both, and I would suggest that you might even simply get the information over the telephone from him.

You should try to get up here sometime before the civil rights battle is over. I believe that I can show you a most interesting time -- the untold story of what is going on here is absolutely amazing.

Please say hello to Dutch and Bill for me. I'm still hoping to see Virginia at ~~Wesley~~ Wellesley sometime soon.

I hope that your book will be of the nuclear variety of blockbuster-- we need it.

I trust you-all are well and fine.

Yours,

*Bill*
