mo is the delegate to international relations of the Italian Society of Accounting History (SISR). In 2016, Massimo served as convenor of the XIV World Congress of Accounting Historians, in Pescara, Italy.

In 2009, Massimo was the recipient of the Best Manuscript Award for a paper published in the journal, *Accounting History*, and in 2012, he won the Thomas Burns Biographical Research Award for a co-authored paper published in *Accounting History Review*. His current research is focused not only on accounting and business history, but also on Accounting for Natural Disasters and Accounting for High-Fashion/Luxury Companies.
