Dear Mr. Meredith,

I'm Brazilian and I live in Porto Alegre, in the state of Rio Grande do Sul.

I would like to send you my congratulations and my incentive for your great courage you are demonstrating.

I propose you continue your course, you don't have to give attention to your fellows, because they wish only to humiliate you.

I finished the Scientific course, and I intend to make an examination for the University, this year. I work only in the afternoon, in the Institute of Chemistry of the University of R.G.S.

I hope you excuse me for I can't write letter in English, but I thought that you would appreciate it.

I would like to receive answer, your letter would make me very happy.

Wishing you good luck, I send you my best regards,

Erney E. Soares. (ERNEY E. SOARES)
