Faculty approves Teacher Evaluation; Lifts Cut Rule For Juniors, Seniors

Approval of the Faculty Executive Council proposals for evaluation of instructors and the exemption of junior and senior students from the “no credit for work done during summer” rule, were made yesterday by the faculty of the University in a meeting held Wednesday evening.

Beginning next year, no student will be penalized for work done during the summer and no instructor will be penalized for work done in his own field, the faculty said.

The no credit cut rule will be in effect only in the catalogue, but students who fail self-exam will be allowed to write up their own systems of grades for the purpose of deciding whether or not they will take the cut class.

Students who areJuniors and Seniors, but who are enrolled in the College of Arts and Sciences, will be subject to the tenure of the no credit rule and students in the College of Commerce will not be subject to the rule.

Dr. George B. Nylander

Greek Archaeologist

To Give Talks Monday

Dr. George B. Nylander, internationally famous Greek archaeologist, will describe his work at the University this Monday afternoon from 3 to 4 o'clock in the Great Hall.

Dr. Nylander, who is an expert on ancient Greek art and architecture, has made many important contributions to the study of Greek archaeology. He is one of the foremost authorities on the subject and his work has been widely recognized.

Dr. Nylander will be joined by Dr. B. J. S. Lawrence, a specialist in Greek literature and history, who will also give a talk on the subject.

The talks will be held in conjunction with the annual conference of the Archaeological Institute of America, which is being held in the city this week.

Intramural Trophy Awarded Annually To Top Fraternities and Sororities

By Jane Hanson

"Hit that ball! Atta gone, baby!" "Hit's a nil! Kill the umpire!"

But are the Pink Pumas or the Crimson or the Red Sox or the White Soxstanding or the Wild Tigers playing ball? It's an intra-mural softball game, which may or may not determine the championship.

And why so much enthusiasm? There is a little matter of a cup suspended, as fast two runs, one for the girls and one for the boys, engaged in the sport.

Delta Gamma-Leota Girls

These trojans, which are produced each year by Pi Beta Phi, inter-sorority council, and the Inter-Fraternity council, have been given to witness the turning of a new page in the annals of the campus for the last ten years. In recognition of the departures from physical education. If one team wins the cup for five consecutive years, it is hers to keep for the next nine.

In the girls' league, Delta Gammas defeated the Leota girls last week.

The Kappa Sigma's Big Skip Chaps

In the boys' league, it's the Kappa Sig and the Sigma Chi who lead the parade. There is a 1943-44-45 spirit in the air and a strong possibility that the Alpha Epsilon, or Kappa Alpha, will turn up, to add the laurels to the laurels of the past and the present.

But, to the best of our knowledge, the athletic teams have not broken their promise to keep the Alpha Epsilon household.

They have been victorious in the last three years, and their teams are now under the leadership of two former members of the Alpha Epsilon household.

The Miss Band Holds Annual Banquet And Gives Annual Award

The Ole Miss band held its annual award banquet at the Municipal Auditorium last night, sponsored by the Athletic Association. The awards were based on the service to the band and untiring work in the band. The banquet was attended by a large group of students taking part in the celebration.

Those receiving the scholarships were: Charles Elderfield, Joe Lee, Ed White, Joyce Mullin, Joan Moel, Robert Baker, Roy Ott, H. Lee, Richard Simms, Jim Dorn, Bruce Skidmore, Kenneth Rollins, and Steve Little, Eddie Holton, Charles Parish, Lige Summers, and

Home Ec Club Installs Officers For Coming Year

Installation of new officers of the Home Economics club was held at the annual Home Economics club banquet, May 14, at the Confederate Cemetery.

The new officers are: T. W. Coleman, president; Betty Jacket, vice president; Martha Jessup, secretary; and Gladys Raymond, treasurer.

The club will be one of the most active in the history of the Home Economics department.

Chemical Students Demonstrate Industry’s Money-Saving Device

Four senior chemical engineering students have assembled a heat exchange apparatus for a demonstration of one of the most fundamental operations in chemical operations.

Known officially as a "Twin-Fin Heat Exchanger", this piece of equipment includes a series of pipes and valves and is built entirely of chemical materials which are used to remove the heat of liquid through the system.

The four students are Roy Sommer of Ridgeland, Robert Carter of Oxford, Miss., and Jack Barlow, both of Lafayette, La., and Dr. Raymond Y. Bailey, assistant professor of chemical engineering.

A Report From The Legal Minds
Respectfully submitted by
R. M. "Bob" Allen

HONORARY
Every year Phi Delta Phi, legal fraternity, makes an award to "the best, in the opinion of the members, of student, and
feel the distinction, indicative of the successful lawyer, of character,
and general ability, of a junior law student in any law school." This
year was Will Winter of Gettysburg, out-going Editor of the Law
Journal.

Phi Alpha Delta always makes an award to the winners of the
"Oratorical" and "Graffiti" Contests. Last year, Reprinted from
McMurray and Raymond T. Jarvis, and Mr. Herbert Salt as
the Graffiti contest, winners. Unfortunately, this year's recipients
have been Juan Garcia, on the other final, Dale McPike and Gene
Wilt, on the "Oratorical" contest. The winners each received four
straight competitive arguments.

FRANKFITT, J. SPEAKS
At a banquet last Friday night, honoring him and Judge Riley
of the Federal District Court, ole Miss law student, Brad
Wilt, W. E. White, and Juan Garcia

The Journal has been augmented recently by the appointment
of Assistant Editors, of Bill Carter, Jon Nutt, and Bob Allen.

At the Law Review Conference, held here the weekend of
March 8, Judge Rufus B. Jones, and Judge Roger B. Higginbotham,
Chairman of the American Bar Association, were invited as
East, to answer to this, the Mississippi Law Journal is soliciting
the student Editor. Roughly, the function of this section will be to
criticize the judicial legislation before and after it is passed and
also prepare it for the court. Selected as Legislative Editor was
Bruce Davis, of College Park, Georgia.

The other law Journal office holders are Bob Roby, Editor for
writing, Will Winter, Art Editor, Evelyn Sholtz, and Jack Harrington, Omnibus Editors.

Dear Sir or Madam,

As a member of the UM Law School graduating class of
1969, I would like to take this opportunity to thank you for
publishing the article "A System for the Proper Handling of
Legal Matters" by Robert J. Bagley, which appeared in the
April 1969 issue of the Journal of the American Bar
Association.

I was particularly interested in the article because it
outlined a system for the proper handling of legal matters
which I believe can be adapted to the practice of law in
Mississippi. I would appreciate it if you could provide me
with any additional information you may have on this
subject.

Sincerely yours,

Boys Softball Season
Reaches Smashing End
With Closing Contests

The lidstone "Torrieri" boiled over the Norwinian Crown at 2:4. The "Torrieri" struck the win in the first inning with Rice, adding 4 to the tally. The lidstone's dominating pitcher held the Norwinian Crown scoreless for the first three frames. The Delco circled the bases for 17 in a four frame battle with the lidstone's. In the fifth inning, making the trip 6 times, Frank Bishop, excellent for the lidstone, held the Sigma Chi's score for the first 5 innings, giving up only three hits. The lidstone's hit led the Sigma Chi 11 to 1. The Delco's "Torrieri" first hit for another win over the engineers, scoring a 15-6 win.

Interesting Softball Play-offs
Monday, Tuesday and Wednesday
Wind Up Intramural Sports

The intramural softball play-offs will be held Monday and Tuesday. These games will terminate this year's intramural sports activities. A game between the Sigma Chi's and ATO later in the week will determine this year's intramural sports activities. The girls championship will be decided Monday afternoon when the Delta Zeta's meet the independents. Since the tournament is double elimination, and the independents have already eliminated two teams, they will probably play Tuesday.
