**Toys For
Tots**

Once again for the holiday season 1211 Avenue of the Americas is supporting the U.S. Marine Corps "Toy for Tots" program for needy children. Toys are being placed under the Lobby tree and will be collected weekly by the Marines for distribution to the children in time for the holidays. Last year Rockefeller Center had one of the largest collections of toys in the entire New York city area and they are hoping for an even larger collection this year. If you wish to donate, you may place toys under the tree. Please do not wrap them. If you place a gift under the tree, contact the Building Management Office and your donation will be acknowledged.

Rockefeller Center thanks all of you for your generous donations.
