**Staff Promotion**

Tanya Szolnok in CPE Marketing Services was promoted from Secretary to Telemarketing Assistant.

Congratulations and Good Luck in your new position.

**It's Your Program... Tell Us What You Want**

If you've taken the IIE Core Program, then please help us invest in your future. We'd like some input from you to help us select topics for follow-up programs. We can work with a group of core graduates from your division or department. Let us know what you need - how you'd like to grow, change or solve a problem. We can tailor a session to your group's needs.

If you have an individual area of growth you'd like to explore, please write it down, and if we have enough people who are interested, we'll hold a session.

Are you interested in a brown-bag, lunch time follow-up session? We can discuss any aspect of the program from "How you're doing with the information" to "Rocks in the road you'd like to overcome". Let us know by filling out the tear-off section below.

Want more information about the Investment in Excellence Core Program, just call Pat Williams (5527) to get your questions answered.
