**Women's Basketball****We're new champs!**

The AICPA women's basketball team won the Urban Professional Basketball League women's division championship last Wednesday night with an exciting 62-39 victory over Just Us, the only team the AICPA lost to during the regular season.

The AICPA team was a juggernaut in scoring, at one point earning six points in less than one minute. Scoring was led by Pam Green (Quality Review) with 28 points. Other starters included Mikki Worrell (Quality Review), Ana Garcia (Secretarial Services), and Melanie Heim (Promotions).

Many thanks to all the fans who came out to show their support and cheer on the team. And very special thanks to an outstanding coach -- Lance Waterman (Payables) for his dedication throughout the season.

Stay tuned for a possible match between the AICPA men's team and women's team.

And here's looking forward to next year's season!

### 1992 Teamwalk

Employees of the American Institute of Certified Public Accountants, their families and friends are invited to join the more than 22,000 walkers in one of the most spectacular events in New York City, the **MARCH OF DIMES TEAMWALK '92**. The 30 kilometer event (18.6 miles) will take place on Sunday, April 26, starting at Central Park (59th Street) to Battery Park and back. The monies raised will help the March of Dimes continue its mission of birth defects prevention.

This will be the Institute's sixth year participating in this annual event. Last year, the accounting industry as a whole raised \$121,000 to aid the March of Dimes in their efforts in preventing low birth weight, which is the leading cause of disability and even death among newborns.

As a walker, you will sign up sponsors who pledge from dimes to dollars for each kilometer you complete. On the day of the walk, your sponsor sheet will be validated at checkpoints along the route. Then you can go back to your sponsors, show them proof of how many kilometers you walked, and collect their tax deductible pledges as a donation to help fight birth defects. You do not have to walk the complete route. You can collect for as much as you walk.

Participants can earn valuable prizes, awarded by the March of Dimes, ranging from T-shirts to televisions, based on the amount collected. It's a great New York event and you are invited to bring a friend or relative; we'd love to have them as members of the AICPA team. So, if you are interested in joining your friends and co-workers in what will be a fun-filled and rewarding day, please contact Chris Miller, Benefits Coordinator, at x8630, for your entry form.

### Special Olympics

*Special Olympics International* is the world's largest organization providing year-round training and competition for individuals with mental retardation eight years of age and older.

*The New York Special Olympics* is seeking volunteers for their **1992 METRO TOURNAMENT** which will be held on Saturday, May 30 from 9:30 a.m. to 5:00 p.m. at St. John's University in Jamaica, Queens. About 750 Olympians are expected to participate in track, basketball, gymnastics, swimming and powerlifting.

Volunteers are needed to act as athlete escorts, which means that you would be a "chaperone" for an athlete for the entire day -- responsible for having him or her at their scheduled events at the correct time. All volunteers would also be part of the opening and closing ceremonies. Due to the large number of volunteers attending this event, the *Special Olympics* requires all volunteers to attend a one-hour orientation session in Manhattan a week or so before the events.

If you are interested in being a volunteer for the Tournament, please contact Louise Williamson at x5391 before April 30.
