Reminders... ...All employees must complete and return their dental plan enrollment form to Human Resources by this Friday, August 7th.

Even if you are not enrolling in the DMO, but have chosen to remain in the current dental plan, you must complete the enrollment form and mark the box "traditional plan".

Once Human Resources receives your enrollment form, it will be forwarded to Prudential for processing and you will be entered into their computer. This will allow on-line verification of your eligibility for both DMO and traditional dental plan benefits and will serve to expedite processing of your traditional plan dental claims. In addition, by completing the enrollment form now, you will also be able to switch from the traditional plan to the DMO at a later date by simply calling the DMO hotline (1-800-THE-DMO1). Employees enrolling in the DMO as of September 1st should receive their DMO ID card within 4 weeks of submission of the enrollment form.

If you were unable to attend a DMO meeting, please stop by or call Selmo Alamilla in Human Resources (X3803) for the necessary enrollment package.

...Payroll will be moving to Harborside this Friday, 8/7. If you have not picked up last weeks payroll stub or check, please do so before Wednesday, 8/5.

Attendance Records Due to the relocation of Human Resources and Payroll on August 7, please submit all attendance records for the week ending August 1, 1992 to Human Resources **NO LATER THAN MONDAY, AUGUST 3 AT 12:00 p.m.**

Staff Training and Development Survey

On July 20th, the Staff Training and Development Survey was sent to all Institute employees. The information collected in the survey will allow us to offer programs that enable you to further develop your skills. In order for the Institute to develop the appropriate programs, it is important that each and every employee respond. If you have not done so already, please take the time to complete the questionnaire and return it via inter-office mail to Human Resources as soon as possible. If you have misplaced your questionnaire, please contact Christine Herbster in Human Resources (X7063) for another copy.

Thank you for your cooperation.
