**Coming your
Way...**

This month we will begin WordPerfect User groups in the New York and New Jersey offices. The first meeting in New Jersey will be held on Tuesday, November 16th and in New York on Wednesday, November 17th from 9:30 a.m. until 11:00 a.m. to discuss users' needs and future program topics. If you are interested in joining the group, first check with your immediate supervisor and then call Gaby Ulloa on X6180. We will make every effort to accommodate your request, however, our objective is to get a good cross-divisional representation of users. The meeting will be held on the 16th in the New Jersey Training Room located on the 2nd floor and in New York on the 17th in Conference Room F located on the 6th floor.

On Friday, December 10th Bill Broadus will present a full-day **Governmental Update** from 9:00 a.m. - 5:00 p.m. in the Board Room (New York City offices). Mr. Broadus, currently practicing as a consultant in the government and nonprofit area, and a recently retired official with the U.S. General Accounting Office, is a past member of the AICPA Auditing Standards Board, past member of the CPE Executive Committee, and has been a member of numerous AICPA committees and task forces, including the AICPA Compliance Auditing Task Force. He is author or co-author of numerous highly-rated AICPA/CPE courses, including 1988 Yellow Book: Government Auditing Standards, Audit Requirements of OMB Circular A-133 and Performance Auditing. If interested call Gaby Ulloa on X6180.

"THANKS-GIVE-AWAY"

The AICPA is hosting a "Thanks-Give-Away"! You're probably wondering what a Thanks-Give-Away is and what will be given away. A turkey, of course, in celebration of the Thanksgiving holiday. Our turkey is not the traditional kind, it's a special turkey. It's not edible, weighs about 3 oz., and its feathers are covered with green notes. The notes add up to twenty-five dollars cash to cover the cost of a 25lb. turkey for your thanksgiving dinner.

To win, all you need is a good eye and a bit of luck. Beginning Wednesday, November 10th, through Tuesday, November 16th, a glass jar filled with candy will be displayed at all AICPA locations. In New Jersey, the jar will be located in the Luncheon Club, in New York, it will be in the Human Resources Division, and in D.C., at the receptionist's desk. You can look but you can't touch the jar or eat the candy. After inspection, your job is to guess how many individual pieces of candy are contained in the jar. The employee closest to the correct number of pieces, whether your guess is right on target, over or under, will win the turkey. A total of 70 turkeys will be given away -- 50 in NJ, 15 in NY and five in DC. The number of prizes awarded represents approximately 10% of the total number of staff at each location.

It's simple to enter, just fill out the official entry form below and send it to the following person at your location.
