Promotions

Teresa Caro was promoted from Receptionist in Office Facilities to Order Representative in CPE Materials Management.

Congratulations and much success in your new position!

Congratulations!

We hope you all had fun participating in the "Thanks-Give-Away" contest. It was obvious that each participant used their own individual "standard of operation" to calculate the exact number of candies in the jar. The methods and perceptions used to "count" the candy varied quite a bit -- the guesses ranged from 168 to 13,572! In fact, not one guess was right "on target."

The candy was counted by four volunteers: Margarita Womelsdorf/Internal Audit, Anselmo Alamilla/Human Resources, Karen Zimmerman/Electronic Imaging and Linda Huntley/Technical Information. The official count in each jar was **1185** for Harborside, **1233** for New York and **1069** for Washington. Even though no one guessed the exact number at any of the locations many were right near the target. The closest guesses were submitted by Christina DeMatos and Bruce Biskin in Harborside with 1171 and 1199, respectively; Mary Ann Sears in New York with 1220 and Dionne McNamee in Washington with 1053.

Congratulations to all the employees who received a special "turkey" for their Thanksgiving dinner.

A special thanks to Rachel Ditcher who came up with the idea for the contest!

Following is a list of the employees who were awarded the \$25.00 "Thanks-Give-Away" prize.
