Reminder...

If you haven't completed and returned your Electronic Imaging Survey, please take the time to do so. Your suggestions will be important in helping us better meet your electronic publishing needs.

**Travel
Arrangements**

In an effort to continually improve travel services to AICPA travelers, we have selected American Express Travel to provide travel arrangements for AICPA travelers beginning August 1, 1994. All travel arrangements will continue to be coordinated through the Meetings & Travel Department as usual (ext. 3167).

American Express will have one individual on site in the Meetings & Travel Department at Harborside. Ticket delivery to the NY and DC offices will remain the same.

In order for American Express to service your needs, a "Traveler Profile" will be forwarded to each department. When you receive the profile, please take a moment to fill it out and return it to Meetings & Travel. It ensures that your preferred travel arrangements (seat assignments, special meals, etc.) are taken care of automatically.

If you were issued an American Airlines Air travel card, please return it to Meetings & Travel. The card is no longer effective. In emergency situations that require change in travel plans we ask that you use your personal credit card and put in for reimbursement. Please keep in mind that all travel arrangements and tickets must be handled through the Meetings & Travel Department.

Your cooperation and support is appreciated in making this transition to an effective and successful travel program.
