**Reminder:
Employee
Commute
Options**

In accordance with the Clean Air Act Amendments, the Institute has selected this week, September 19-23, to survey the commute patterns of its NY and NJ employees. Please keep track of how you arrived at work and what time you arrived each day. You can record this information on the worksheet attached to Phil Chenok's memo of 9/13/94.

Next Monday, September 26th, your cost center head will distribute to you a personalized Employee Transportation Survey. Please complete the survey indicating your commute patterns and scheduled arrival times during the week of September 19-23. The survey should be returned to your cost center head no later than Wednesday, September 28. Your participation is essential and valuable to this effort. Thank you.

**SHARE-A-WALK
1994**

Why will thousands of women, men and children be gathering at the Main Monument in Central Park at Christopher Columbus Circle this October 2nd? Because they believe they can make a difference by participating in the 1994 SHARE-A-WALK!

SHARE is a non-profit, self-help organization that provides support services for women with breast or ovarian cancer, and for their families and friends. SHARE offers support groups, educational and wellness programs, and advocacy opportunities. All services are free of charge. Proceeds from the Walk will help keep them that way.

This year, 182,000 women will be diagnosed with breast cancer, 46,000 will die. Over 22,000 women will be diagnosed with ovarian cancer and 50% will die. Walk together on October 2, 1994 to show our resolve to conquer breast and ovarian cancer.

You can play an important part. All you have to do is look into your heart...and then use your feet!

If you are interested in participating in the SHARE-A-WALK, call Jennifer Kurylka on extension 3357 for your registration form and sponsorship list.

Maggie Diz recently transferred to CPE Accounting from Purchasing.

Congratulations and much success in your new position!

**Creativity
Quiz**

This quiz does not measure your intelligence, your fluency with words, and certainly not your mathematical ability. It will, however, give you some indication of your mental flexibility and tolerance for ambiguity.

For example:

12=M. in a Y. becomes 12=Months in a Year

- 101 = D. --
- 26 = L. of the A. --
- 7 = W. of the W. --
- 1001 = A.N. --
- 12 = S. of the Z. --
- 54 = C. in the D. (with the J.) --
- 9 = P. in the S.S. --
- 88 = P.K. --
- 13 = S. on the A.F. --
- 32 = D.F. at which W.F. --
- 18 = H. on a G.C. --
- 90 = D. in a R.A. --
- 200 = D. for P.G. in M. --
- 8 = S. on a S.S. --
- 3 = B.M. (S.H.T.R.) --
- 4 = Q. in a G. --
- 24 = H. in a D. --
- 1 = W. on a U. --
- 5 = D. in a Z.C. --
- 57 = H.V. --
- 11 = P. on a F.T. --
- 1000 = W. that a P. is W. --
- 29 = D. in F. in a L.Y. --
- 64 = S. on a C. --
- 300 = P.S. in B. --
- 2 = C.T. is a C. --
- 40 = W. --

Look for the answers in next week's issue of Inside.
