**MEMBER OUTREACH - COST CENTERS WITH THE MOST MEMBER OUTBOUND CALLS
THROUGH SEPTEMBER 15, 1995**

The results are in! In reviewing the numbers we recognize the different dynamics involved in motivating cost centers with smaller and larger numbers of staff liaisons. In recognizing this distinction, we have grouped the awards into two cost center categories: staff liaisons of 4 or less and 5 or more. Within these two groups we will invite the cost centers placing the most outbound calls per staff liaison to lunch and the runner-up cost centers will be served breakfast on the premises.

AND, THE COST CENTERS WITH THE MOST OUTBOUND MEMBER CALLS ARE....

GROUP	COST CENTER	NO. OF CALLS/PER LIAISON
4 or less	452 - Payroll	767
5 or more	449 - Production & Editorial Services	601

AND, THE RUNNER-UP COST CENTERS ARE....

GROUP	COST CENTER	NO. OF CALLS/PER LIAISON
4 or less	409 - Member Life, Health & Pension Programs	633
5 or more	443 - Production - Periodicals	538

Congratulations to all the staff liaisons within these cost centers. Jay Rothberg will contact the cost center heads to make the appropriate arrangements.

As of September 15, staff liaisons placed more than 105,100 calls and responded to more than 2,300 requests for assistance. These numbers reflect almost a 30% increase in the number of total calls since we last notified you of the results in July. Your efforts are appreciated, keep up the momentum.
